Financial Report

This will be my last report as your club treasurer. There will be some changes coming in April with the transfer to the new treasurer. So please do not forward and e transfers or receipts to me after March 31st. The change over at the bank can take a few weeks so please keep this in mind if you have any financial issues that involve the club.

Watch for update of new email address for e transfers and any further instructions the new treasurer may have.

I will be having the financial audit done for the past year and will forward the information to the board once it is done.

I would like to thank the support I received when I took this position over from Louann and Kathy. Your help over the past 4 years has proved invaluable to me in this position. Best wishes for the new treasurer. I hope you find this position as rewarding as I did.

Donna Edwards Papillon Canada Treasurer

President's Message

We received no nominations from the membership for any position on the Board, so the slate of candidates submitted by the Nominating Committee is elected by acclimation. The new Executive and Board of Directors will be taking over effective April 1, 2023. Please welcome the following:

President – Toby Hately (Alberta) toby.hately@gmail.com

Vice President – Kylie Wilson (Ontario) tkagiles@shaw.ca

Treasurer – Jayne Russell (Alberta) jayne.russell@xploret.com

Secretary – Donna Edwards (Ontario) donlenpaps@aol.com

Membership Chair – Kathy French (Manitoba) rogkath@mymts.net

Maritime/Quebec Director – Bett Nielsen (Nova Scotia) bett@gnomehaven.net

Ontario Director – Robin Mercer (Ontario) mercerpaps@sympatico.ca

Manitoba/Saskatchewan Director – Debra Robertson (Manitoba) regatts@mymts.net

Alberta Director – Stephanie Thygesen (Alberta) stephanie.thygesen@gmail.com

BC Interior Director – Nancy Lopaschuk (British Columbia) lopaschuk@nanrich.ca

BC Coastal Director – Nancy Verhoog (British Columbia) flinters94@gmail.com

I think we have a great blend of new and returning faces on the Board! I too will still be available on the Board, serving as Past President. I also want to thank those Board members who are stepping down from their positions or from the Board entirely. Vivian Hould has done a great job serving as the Ontario Regional Director and we are very sorry to see her go. I want to welcome Robin Mercer, who served as our newsletter editor for decades, as the new Director for Ontario. Sylvie D'Amboise served as the Regional Director for Quebec and Eastern Ontario for years and always has valuable input, the membership numbers have changed over the years and the Board decided that Quebec will join with the Maritime provinces under one director for the next two years. Bett Nielsen will continue to ably fulfill that role. Jennifer Raymaakers has been the Alberta/Saskatchewan/Manitoba Regional Director for years and we are sorry her job has become so demanding of her time that she has had to step back. I would like to welcome Stephanie Thygesen onto the Board and into the Alberta Regional Directors position. Again, with the changes in the membership numbers in the various Provinces, the Board decided to create a Regional Director for Saskatchewan and Manitoba and we want to welcome Debra Robertson to the Board as that Director. The position of Past President, filled by Kay Reid for the past 4 years, is very important as those filling this position must remind others on the Board what decisions were made during their tenure as President and why! That way we do not lose our way! Thank you, Kay. Toby Hately has served as Vice President these past 4 yours and we welcome her as our new President! Please give her your support as she finds her way in her new position. Kylie Wilson is a new face to the Board and will be serving as our new Vice President. We welcome her with open arms. We need to continue to bring new (and younger!) people onto the Board, so it does not grow stagnant. Jayne Russell is also a new face on the Board, serving as our Treasurer and as a CPA, she will do a wonderful job with our books! Donna Edward has done a super job as Treasurer these past 4 years, and I am sure she will also bring that great work ethic to her new position as Secretary. Kathy French has done a tremendous job serving as both Membership Chairperson and Secretary – always keeping us on the straight and narrow – thank you Kathy! She will stay on the Board as Membership Chair. Both of the British Columbia Regional Directors will be staying on the Board. Nancy Lopaschuk is always an enthusiastic and responsive member of the Board and Nancy Verhoog has also had great input. Thank you all for your service to Papillon Canada and the wonderful breed we are charged with preserving and protecting.

My plea for someone to step up and hold a National Specialty in 2023 was answered! Please save the date of Saturday, August 26 as we have applied to hold our National Specialty in conjunction with the Stormont, Dundas & Glengarry Dog Association All Breed shows held in Long Sault, ON on August 25-28, 2023. Cora Vandekar is our intrepid member who has stepped forward to Chair the National Specialty. You can contact Cora at cora@sallysvalleykennels.com for further information. We are awaiting conformation of our show dates and judge from CKC and will announce everything in

more detail the minute we get permission from CKC to proceed. Cora will be looking for local help organizing the show and sponsors for the various prizes and for donations to auctions. Please extend her every generosity!

We also have a Regional Specialty approved for the same date, August 26, but on the other side of the country in British Columbia. The Board debated at length before approving both the Regional and the National on the same date. But if our past attendance at the National is any indication, we don't usually have many members from one side of the country that will go to the other side for the National and even less for a Regional, so the Board felt it was okay to approve both. The Regional Specialty will be held in conjunction with the Cranbrook and District Kennel Club's 50th Anniversary All Breed Show and Nancy Lopaschuk as acting as the Show Chairman. You can contact Nancy at lopaschuk@nanrich.ca

The Board has also approved a booster to be held on Vancouver Island at the Tyee Kennel Club show in Duncan, BC on May 11, 2023. Kay Reid is organizing the Booster and can be contacted at kgriffithsreid@gmail.com Prizes will be offered for Best of Breed, Best of Opposite Sex, Best of Winners, Best Puppy, Select Dog, Select Bitch and Winners Dog and Winners Bitch.

This will be my last message to you as the President of Papillon Canada. It has been an honour to serve as your President these past four years. I have thoroughly enjoyed my time leading the club and getting to know so many of you!

Louann Hansen

Rules of Eligibility

We were approached by CKC last year to approve the Rules of Eligibility (ROE) for Papillons. The CKC gave us the ROE that they had drawn up and the Board has gone back and forth with the document a number of times and Louann Hansen met with the ROE committee via zoom. We would like to propose the following and want to make sure our members are aware of the proposal and to give you this chance for input. Once the ROE has been approved, we, as breeders, will be required to attest that both parents of any litter we register meet the ROE.

Registrations of purebred dogs by CKC are governed by Agriculture and Agri-Food Canada under the Animal Pedigree Act. The Act requires a general description for each breed recognized within CKC's By-laws for basic recognition and registration purposes. These descriptions are called the Rules of Eligibility (ROE). The traits described within the ROE need to reflect the physical essence of the breed and must be observable and measurable, e.g. size, colour, coat, etc. ROE are *not* used for show purposes or judging. The CKC would like to keep the ROE for each breed at approximately 50 words. For the purpose of the ROE, the following general categories of size shall be applied:

VERY SMALLUnder 12 inchesup to 15 poundsSMALL12-15 inches15-40 poundsMEDIUM15-24 inches40-65 poundsLARGE24-30 inches65-80 poundsVERY LARGEover 30 inchesover 80 pounds

Height shall be measured at the highest point of the withers.

More information can be found here: https://www.ckc.ca/en/Breeding-Dogs/ROE in a video by ROE Chairman, Thora Brown. I urge you to watch it!

Rules of Eligibility – Papillon

Breed: Papillon Size: Very Small

Colour Markings: Patches of any colour other than white covering both ears and eyes.

SECRETARY/MEMBERSHIP CHAIR REPORT

Submitted by: Kathy French

Papillon Canada Secretary & Membership Chair & Benevolent Coordinator

As I write this in early March, the snow is still piled up in our backyard here in Winnipeg. We have also had unusually long periods of frigid weather, with temperatures in the minus 30's, going on for weeks at a time. Our little Phalene, Oakley, makes the best out of the situation by running "zoomies" around the "Figure 8" snow path that my husband, Roger, has created for her with his snow shovel. Still, she doesn't stay outside long on these frigid days – just long enough to do her "business" and then run quickly back inside, hopping on three legs. Brrrr!

The daily news continues to report on the war between the Ukraine and Russia. I can hardly believe that this war has now entered its second year. My heart continues to go out to all Club members who have family & friends displaced and suffering the consequences of this war. As well, I am heartbroken for the dogs and cats who have also been displaced by the war. I am grateful for the brave & caring Ukrainian citizens who have stepped up to care for these precious family pets who have been left behind to wander the streets, attempting to fend for themselves.

It has also been 3 years since the World Health Organization declared Covid-19 to be a global pandemic. The date was **March 11, 2020**. I can hardly believe that 3 years have passed since then! Thankfully, Covid transmissions & hospitalizations appear to be declining significantly here in Manitoba and across Canada. So we are grateful that we have been able to resume our doggie play date get-togethers with our Pap, Oakley.

WELCOME TO THE NEW BOARD OF DIRECTORS!

On **April 1, 2023**, we will welcome a new voluntary **Board of Directors**. A few Regional Directors will be remaining on, while others, as well as some Executive members, have fulfilled their 2-year mandates, some having fulfilled a second 2-year mandate, in accordance with our Club's Bylaws. We are grateful for the many hours of voluntary time that these Board Members have contributed to our Club...

Thank you to Louann Hansen (President), Toby Hately (Vice President), Kay Reid (Past President), Donna Edwards (Treasurer), Kathy French (Secretary), Nancy Verhoog (BC Regional Director), Nancy Lopaschuk (BC Regional Director), Jennifer Raymaakers (AB/SK/MB Regional Director), Vivian Hould (ON Regional Director), Sylvie D'Amboise (QC Regional Director), Bett Nielsen (Atlantic Provinces Regional Director.)

We are also grateful for the new faces of other Club members who have agreed to volunteer for the next 2-year mandate (April 1, 2023 – March 31, 2025). The Board voted to reallocate a few of the Regional Director positions, to better reflect the numbers in each Region. As no Board Member nominees were contested, an election was not required and the following Board members were elected by acclamation...

President – Toby Hately (AB)
Vice President – Kylie Wilson (ON)
Past President - Louann Hansen (AB)
Treasurer – Jayne Russell (AB)
Secretary – Donna Edwards (ON)
Membership Chair – Kathy French (MB)
Atlantic Provinces/Quebec Director – Bett Nielsen (NS)
Ontario Director – Robin Mercer (ON)
Manitoba/Saskatchewan Director – Debra Robertson (MB)
Alberta Director – Stephanie Thygesen (AB)
BC Interior Director – Nancy Lopaschuk (BC)
BC Coastal Director – Nancy Verhoog (BC)

The Papillon Canada website will also be updated, with any necessary changes. Please do not hesitate to contact me throughout the year if any additional changes and updates to the Membership Roster or Website are necessary.

THANK YOU FROM PAPILLON CANADA RESCUE

Thank you to Club members who included a donation to Papillon Canada Rescue in with your renewal forms, mailed via Canada Post – Kathy Archibald, Alanna Downton, Kathy French & Roger Fontaine, Olga Gagne, JoAnne McLeod, Sharon Moore, Ellen & Tom Pollock, Angelika & Neil Sirois, Carol Swan-Laing, Cora Vandekar. My apologies if I have omitted to include any other Club members who have made a donation this year.

I do know that other donations to Papillon Canada Rescue were made, via e-transfer, to our Rescue Coordinator, **Donna Edwards**, and we very much appreciate that. All donations go directly into the medical care, rehabilitation and re-homing of the Papillons in need who come into Rescue's care. There is currently a Papillon in B.C. who has recently come into Rescue and is in desperate need of a dental, so your donations will be well used.

Thank you also, to everyone who placed an order and purchased a **2023 Papillon Canada Rescue Calendar** for yourself, as well as for family and friends. Once again, I would like to offer a big "**THANK YOU**" to **Dietlinde Wall** for volunteering to take on the task of creating these calendars, sending them to the printers & mailing them out to those who submitted orders. As always, they are beautiful and a treasured souvenir!

Papillon Canada Rescue - BC Report - March 2023

Submitted by: Julia Beaton - BC Papillon Canada Rescue Rep

Happy New Year! Or maybe I should be saying Happy Easter! It's been awhile since I last wrote a Rescue Report for our All Ears Newsletter. Covid, I believe, sent us all into a bit of a tailspin, I think. Hopefully, we are near the end of it, so we can continue where we left off!

During the Covid pandemic, I did take in a little Papillon from a very close friend of mine who ran Agility with me over the years. At that time, she had 2 Cavalier King Charles Spaniels that she was attempting to run in our Agility classes. We would always chuckle because the very last thing this pair was good at was socializing with the Ring crew, which of course left my friend, Evelyn, running the course all alone! She would watch my Papillons running the courses with envy, as most Papillons make wonderful Agility partners.

Time passed and Evelyn lost her 2 Spaniels, when they each crossed over the Rainbow Bridge. Shortly afterward, she started her search for a Papillon Agility partner. Soon she found Casper, a young Papillon puppy from a local breeder here on the West Coast. Casper was a very sweet, gentle, little fellow who, much to Evelyn's disappointment, also had absolutely no desire to run Agility either!

Sadly, after having Casper for only 20 months, my friend, Evelyn, passed away from Cancer, leaving Casper to me in her Will, hopefully to continue his career in Agility. Casper is still not interested in Agility. Unfortunately, not all dogs are cut out for this sport. However, I was able to find his calling. Casper, along with 3 of my Papillons all visit a special group, spending time with patients who are recovering from drug addiction, in one way or another. Most are youths who truly are so very gentle and kind to all the dogs that visit them. I personally find these visits very rewarding, just being there and observing the tenderness they show and give to my little dogs. I'm sure that Evelyn would be very happy to know that little Casper has found his calling as a Therapy Dog, which he does very well.

Now to Papillon Rescue News... Just last week I received a message from a young man who needed to surrender his 12 year old neutered, male Papillon, who he had purchased from a local breeder here on the lower mainland, 10 years ago or more. The reason for the surrender was the same that I hear WAY too often in Rescue - "We now have a baby so we don't have time for the dog. He's stressed out all the time and the baby, who is now crawling around, is terrifying the dog by trying to grab at his legs!"

I requested that the owner meet me with his Pap, Dexter, at my Vet Clinic, only to find out that poor Dexter had not seen a Vet since 2016! So the Vet did a complete Blood panel on him to rule out any internal concerns, with surprising results coming back clear. However, Dexter is extremely underweight, which is likely due to his teeth being severely under cared for. What is left of them was heartbreaking for me. One rotten tooth is even sticking straight out of his little mouth. No wonder he is so thin, with a mouth full of rotting teeth! In my mind, this neglect is a form of cruelty.

Needless to say, Dexter is now in desperate need of a dental, which due to his age, it would be safer for him to go to a Dental Specialist. We are fortunate enough to have one here in my area on the West Coast. Clients come from all over BC and sometimes beyond, to have their pet's teeth looked after, at West Coast Veterinary Dental Specialists.

This will be Dexter's FIRST and only dental in his life! Again, very, very sad. My plea to all our Papillon Canada Club members who support our Rescue is to please consider donating towards the cost of Dexter's dental surgery. His dental procedure will likely cost around \$ 3000.00. If many pitch in, with whatever we can afford to donate for Dexter's dental, maybe we can come close to covering the cost. My other Rescue organization, Little Paws Rescue, is also offering to help out with the costs.

Just a foot note... 99% of all the dogs that are surrendered into Little Paws Rescue here on the West Coast, ALL require a huge amount of dental work.

Thank you in advance for considering a donation to help Dexter.

Papillon Canada Rescue Report

Submitted by: Donna Edwards

First, I want to thank everyone who supported us with donations over the past year. Without the support of your donations and the sale of calendars, Rescue could not exist. We are not a charitable organization but we are not-for-profit. Other than the barest of expenses, all monies raised go directly to the care of the rescued dogs.

I hesitate to list names for fear of leaving someone out. So, I apologize in advance if I missed your name. Thank you to the following people...

- S. Lane, L. Hansen, Y. Lord, K. French, P. Baisi, K. Archibald, J. Russell, G. Russish,
- K. Munk, K. Wilson, O. Gagne, C. Swan-Laing, A. Sirois, E. Pollock, J. McLeod,
- S. Moore, A. Downton, C. Vandekar, S. Collins, J. Morin

I am currently working with BC Club member, Julia Beaton, who has recently received a 15-year-old Pap into Rescue. This fellow will need some Vet care and assessment before he is ready for adoption. He is especially in need of some dental care. As soon as possible, we will list him on our Papillon Canada Rescue Facebook page along with some pictures.

At this time, I would like to thank Julia for all the dedication and support she provides to Rescue. She has been a dedicated and hard-working person for us on the west coast.

Seniors seem to be the theme right now. I am currently working with a man who, regretfully, due to his health, may need to surrender his much loved 15-year-old Papillon in the near future. I will update our Facebook page, if and when this dog becomes ready for adoption.

These older dogs do tend to need some extra attention before they are ready for adoption. However, they often offer several years of companionship to a new owner who is will to accept a senior into their home. We do not turn away dogs because of their age. Most of their Vet care tends to be with their teeth. Once their mouths are healthy, these seniors seem to have much better overall health.

We are currently working on a new Website for Papillon Canada Rescue. Club member, Roger Fontaine, has been hard at work for a few months now, trying to give us the best Website for our Rescue. It is close but not quite ready. Watch for the announcement in our next Newsletter. You can check our Facebook page, **Papillon Canada Rescue**, for any updates.

We accept e-transfers for donations at papilloncanadarescue@gmail.com If you have any questions, please feel free to reach out to me at any time.

BC WEST NEWS

Greetings from BC West...spring is around the corner and the show season has kicked off. Just finished a show here on the island and my sweet lil "Charm" Delyteful N Flinters Time For Wishes took WB all three shows to start off her points for her Canadian Championship. No more shows here on the island till May but shows continue on the lower mainland. Mother's day weekend there will be a Papillon Booster sponsored by Kay Reid. Will be a fabulous weekend with four all breed shows, and a toy club speciality, so an opportunity for 5 sets of points hosted by the Tyee Kennel Club.

News from Truluv Papillons, What an incredible week for our young Kyra ...

Stromarlyn Truluv's Still Believe In Magic, aka Kyra. Just a few days after turning 6 months old, Kyra had an amazing day with Shanelle McCormick, winning over some lovely girls including 2 Specials. She took BOS and Best Puppy. Kyra also got her TDN title the same week. She also has a great time kayaking.

Breeders: Marjorie Stroud & Kay Reid

Owners: Shanelle McCormick, Lacy McCormick, Kay Reid & Marjorie Stroud

Our pretty little GCH Truluv's Once Upon A Time TDN, aka Frankie, is also well on her way to her GCH Bronze title and a few points short of adding a Sprinter title. So proud of our girls.

BRITISH COLUMBIA INTERIOR REPORT – March 2023 Director – Nancy Lopaschuk

Here it is mid-March and we still have a lot of snow on the ground. Most years, it is almost all gone by now...sigh. Like everyone, we are looking forward to spring and warmer weather.

Please stay tuned for more information on the Papillon Canada Regional Specialty planned with the Cranbrook & District Kennel Club's 50th Anniversary shows August 25-27. Once the event is approved by CKC, we can announce the judge and more details. At the CKC Board Meeting March 11th, the Board voted that Clubs will again be able to use the term – "Judges pending CKC approval". It was allowed during Covid but reverted back to the rule book Jan 1/23 but now will be allowed again **providing the event has been approved by CKC.** As of today March 13th, we are still waiting for event approval. CDKC is also waiting for approval of several other events which will make 5 sets of points for Papillons!

The show committee for the Regional in Cranbrook comprises of myself as Show Chairperson with the following members on the committee: Louann Hanson, Moira Ure, Margaret Zacher & Toby Hately. I would like to thank Margaret (fundraising) for the awesome job of quickly getting the prize donations and thank Moira for already securing all the prizes! **GREAT JOB ladies! News from BC Interior

Moire Ure – (Annacott Papillons & Phalenes) - Grand Forks

It has been pretty quiet around our house except for the arrival of a little phalene puppy. He is called Sparky (La Ren Ph Annacott Animato Sparks Will Fly). His sire is our Robbie (Ch. Animato Annacott Red Diamond) out of Am. Ch. La Ren Ph Femme D'Or. He was bred by Janis McLaren and is owned by Louann Hansen and me. He is quite a character. He goes back in his pedigree to our Cindy (Am. Ch. Marimar's Willow) who is the dam of our Faith. So quite interesting to see how this works out.

Moira

Margaret Zacher (Ladymagic) – Kelowna BC

Sailor's babies have made a hit on the show circuit in both Canada and USA.

At just 6 mts old - Son - Kaiana TopFlite Tradewinds (aka Mister) co-owned with Keith Macaluso, Sandra Schumacher and Margaret Zacher made his debut at the Palm Springs KC shows and was awarded a 4pt major.

Not to be outdone, his sister - Tiffany - Kaiana TopFlite 5th Avenue - co-owned with Debbie Peatch, Sandra Schumacher and Margaret Zacher - made her debut at the Evelynn Kenny show and then again at the Crocus show (and is sitting on 7pts). These 2 have such wonderful personalities, and show all the type, form and function of the breed.

Sharon Drolet is the breeder and we look forward to many adventures. Tiffany is also currently working toward Agility.

<u>Yvonne Lord – Merritt BC</u>

Nothing happening for me. In May, we have a Papillon Canada Performance Booster at the CARO (Canadian Association of Rally Obedience) I am hoping for more Papillons entered for this booster. We have Q ribbons, Perfect Score Rosettes and New Title rosettes. CARO Rally is a little different from CKC Rally. People who would like to learn more can call, text or email me or get the rulebooks at Canadianrallyo.ca (under Rules tab, select the Master General Handbook)

Cheers, Yvonne

Nancy & Richard Lopaschuk (Nanrich Perm Reg'd) - Cranbrook BC

Not a lot of dog activity for us the past 3 months other than each Sunday, our local club has drop-in sessions where we practice conformation, obedience and rally with all member helping each other. Our club is comprised of members which compete in different dog sports so it is always fun to learn new ideas from other members.

In January, "Never" and I went to the Palm Springs Kennel Club Shows. There are all breed shows, obedience & rally with many specialties at the Empire Polo Grounds in Indio. It is the opening event of the AKC dog show year on the West Coast. Everyone should go if they can.... a great getaway from Canadian winters. Getting there and home with all the airline issues was not a fun trip. On the way, "Never" and I had to spend overnight in Calgary airport due to arriving there from Cranbrook about midnight and having to check back in at 6:00 AM for our flight to California. On the way home, had to spend another 7 hours in Calgary waiting for flight back to Cranbrook. I am getting way too old for such adventures .

The week in Indio and Palm Springs area was great, spent with friends in a VRBO rental very close to the showgrounds. Everyone in our group had a successful day throughout the 4 days of shows.

Nanrich TopFlite Never say Never (Never) was BOS, BOW and BBOH for a 5-point major in one of the Toy Dog Specialties on Friday – 36 Paps entered and her Uncle CH TopFlite Nanrich No Cash Limit (Hector)was Select Dog At the All-Breed Show on Sunday, Never was Reserve. Both Never and Hector are bred and owned by ourselves and Sandy Schumacher.

Happy Spring to everyone! Weather is improving and some flowers are growing in the garden and the sun is shining.

This is my last newsletter as someone else is interested in taking over the task as Ontario Regional Director. It's been really great for the past many years and I have met so many amazing people. I will miss them all! It's been wonderful to be involved with people who love the Papillon breed so much. And I will always be available for any assistance.

Many shows are being planned for 2024 and I want to wish everyone lots of luck at the shows. I have one Papillon, Timmy and he is my companion dog and recently became a service dog. He is such a wonderful little fellow and always by my side but he is not a show dog. I will miss the activities of the Board but I know that Papillon Canada is in good hands. Farewell to all, till we meet again.

Focus | Exposure | HDR

Focus on your subject by holding your finger on the camera screen – you will see a box around your subject, indicating where the focus is.

Here the finger was on Evie's face. The cameras have gotten really good with focus, so I rarely use this unless I want the background blurred.

Choose your time for great exposure, eg: shooting in the Golden hour before sunset.

The main attributes of this photo are the rich colours. Any other hour of the day and this shot would have been just too boring to keep.

HDR: in Settings, select for Auto HDR (High Dynamic Range) – this captures more details in the bright and dark areas of your shot and increases vibrancy, too.

Although backlit, Patches' face is still full of detail and not just a black blob, and HDR also brought out his warm brown highlights.

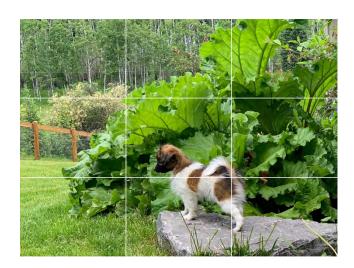

Rule of thirds:

Android: Grid icon at edge of screen

iOS: Camera settings, Grid

The idea is you want to line up your main subject on one those lines and on or very near one of the 4 intersections. It makes for a balanced composition which showcases your main subject.

Change the angle: get low!

Above left is a photo of a perennial cinquefoil, native to Alberta, which the birds planted right next to my front sidewalk. So ho-hum, right? Right is a bug's eye view of the same. \odot Below is a low angle photo of papillons at the Rotary Mattamy Greenway at 90^{th} Ave SW.

Basic edits: Straighten that horizon!

What do you do if there isn't a 'horizon' in your photo? Use the verticals. Pick something near the vertical center of your photo – in this case I picked the street sign in the distance, but it can be a tree, a power pole, the side of a building. Rotate your photo until that element is perfectly 90° ... your phone will make this easy: Select your photo. Click edit. Click on the rotate icon. It will give you a grid to help you line it up.

Crop down to the essentials!

What is essential is entirely up to you. Above, the left photo showcases the lovely garden and setting of my friend's property, and the dogs are incidental. Same photo cropped tight to mom and pup only hints at the pretty place they are in; now they are the stars.

In straightening the picture, I rotated the photo so the fence post just to the right of the pup (the nearest to the middle) was vertical.

Of all the photos I take, I would say that 95% of my keepers get some cropping, some rotating – it is just an easy, basic thing that helps your photos tell their story without distractions.

What your phone won't do:

Neither your phone nor mine would have taken this picture of a Savannah sparrow.

This bird is just a little smaller than our city house sparrows. It was some 50 yards away from where I was, just a little speck in the distance. The only reason I saw it at all was because of the pretty song it was singing, so I was really looking for it.

I took this photo with my small Canon PowerShot SX720 HS camera with 40x optical zoom – and it is that amazing zoom that our phones are not yet capable of.

Considering the incredible strides phone cameras have made so far, I don't doubt but that this will come too!
