EDITORS MESSAGE

All Newsletter material is due by the following dates:

The newsletter will be emailed out to all members on around the 15th of each quarter. **Therefore** any articles, ads, executive information, etc must be sent to the editor no later than the 10th. This also, means that members **must** have their information submitted to their directors well before the Due Date.

- Apr/May/June Newsletter - Due June 10 - sent out June 15
- July/Aug/Sept Newsletter - Due Sept 10 - sent out Sept 15
- Oct/Nov/Dec Newsletter - Due Dec 10 - sent out Dec 15

Executive – Director Reports

- These reports can have a picture at the beginning of their reports (EXCEPT for committee or group events (ie: booster, specialties, picnics, etc). The person submitting the report can decide on if it's a picture of themselves, or one that they received from a member.
- Committee, Rescue, etc reports – these will obviously have multi pictures of either the activity or rescue papillons.

Calling all members for pictures: If you have a picture of your papillons, please forward them to me. I'm looking for pictures to use on the cover, inside the newsletter, ETC (randomly).

Listed below are new section of the newsletter. Please send these to marg.zacher@gmail.com with the title in the subject line (ie; Brags)

- **Know Your Member** – this is by invitation (on a random draw basis). I will send out a list of 10 questions to be answered. If you are selected, I hope that you will participate. Forward back your answers, along with a picture of yourself (no show shots please).
- **Litter News** – Fill in the new Submission form, along with 1 picture of your new arrivals. This is in addition to you **still** letting your director know of any litter you have (please still do this as you can always give more information to the director). You can send me the picture of the litter, along with the following information ONLY: Sire – Dam – Breeder - # and breakdown of puppies - Date of Birth
- **Braggs** – Fill in the new Submission form, along with 1 picture. This is in addition to you **still** letting your director know of your great accomplishments in any of the following arena's (Agility, Rally, Conf, etc). If you are not able to access the pre-fillable form, you can also send me one picture, along with the following. Registered name - Call Name - Owner and/or Breeder - win/or title attained and show. The picture can be either a showshot, casual or action shot. Only wins within the past 6 months. – **ONLY 1 brag per dog, per quarterly newsletter.**
- **Rainbow Bridge** – This is a new section: It will be setup as a ½ page FREE ad. You can design it yourself or get John Morin to assist (donation to rescue).

All Ads are \$10 for each page. They must be sent in ad ready (either PDF format, JPEG or Word) 8 ½ x 11. Funds must be e-transferred to the treasurer donlenpaps@aol.com before your ad will be published. If you cannot send electronically, then contact the treasurer to make necessary arrangements.

If anyone has any questions or concerns: please feel free to contact me
Again, thank you everyone. Margaret Zacher

President Message

I am always so happy to be part of this group. I see members reaching out to help other members and lots of laughter and friendship. This is what makes our club a success!

To our members who have been affected by the fires, floods, slides and just mother nature in general, our hearts go out to you! This has been frightening to watch as whole communities are devastated and families uprooted. Our prayers are with you.

The National Specialty was held in Ontario this year. Our member Cora Vandekar and her friend Caroline Chaput who travelled a great distance to make our Papillon Specialty in Long Sault, Ontario a success, with 22 papillons entered. Thank you to Gia Garofalo of Involu Papillons for judging the sweepstakes at our National and doing a grooming seminar with Fraser Essentials. Gia also donated ribbons for sweepstakes.

Thank you to Nancy and Dick Lopaschuk for hosting the Papillon Regional Specialty and putting on a wonderful show. There were 25 Papillons entered in the Specialty, and I hope everyone had a great time. We had competitors from the United States join us and what a wonderful honor to our Papillons to have Marion Ford, Owner Handler win Best In Show with her incredible dog Ch Akai's Calico Jack under Judge Virginia Lyne.

I would also like to thank all the volunteers who put together prizes, raffles and gave a hand with set up and take down. I love that everyone pulled together to make the National and Regional a success. It is fantastic to catch up with friends and see everyone's beautiful dogs.

Also, I would like to encourage our long-term members to reach out to our new members and help them along. Especially those who are eager to volunteer for Shows and Specialties. If we are to succeed as a club, we need to show our new members friendliness and encouragement. Without a willingness to put our best foot forward we won't have the volunteers or new members coming forward.

Papillon Canada Secretary's Report

September 2023

First of all, thank you to the Club for the lovely Get-Well card. Recovery from my knee surgery in late July is coming along. My knee is healing, but seems to be a little slower than the other knee replacement, which was done about 10 years ago. So I guess my body needs some extra time to recuperate.

Also, I just want to recognize all of the Club members on each coast who have been through some rough treatment by Mother Nature this past year. I don't know how many of you were affected by the wildfires or flooding, but know that my thoughts were with you.

Normally, I would say I hope everyone had a wonderful Summer and enjoyed all the great weather. However, this was a Spring and Summer unlike past ones. Just watching the News reports of the wildfires out West, in northern Ontario and Nova Scotia, was unbelievable. Many of us across the country could smell the smoke and had it hanging over us for days.

Then there was the flooding on the East coast and their second hurricane/tropical storm this year. This only goes to show what a resilient bunch we Canadian's are. I hope all of you got through these disasters okay. You can be sure that those of us who were not in any of the danger areas kept you in our thoughts. Watching the News was scary enough, I can't imagine actually living it.

We had two large Shows this year - the Regional Speciality in Cranbrook, BC and the National Speciality in the Cornwall, ON area. The Papillon Canada Annual General Meeting was held at the Regional rather than at the National this year. That is because our Club's President and several other Board members had already made plans to attend the Regional. This change of venue for the AGM was voted on and passed by the Board, prior to the meeting.

Thank you to **Cora Vandekar** for chairing the National Specialty and to **Nancy Lopaschuk** for chairing the Regional Specialty, both which were held on the same weekend, near the end of August. From past experience, I know there is a great deal of work that has to be done to prepare for such Shows. Thank you also, to all the Club members who supported these Shows by donating towards the prizes and ribbons. Also, a big thanks and congratulations to all those who participated in each of the Shows! I had planned to attend the National but it was too soon after my surgery. However, I did hear that it was great!

Next year's Papillon Canada National Speciality will be held out West, in Chilliwack, BC, chaired by Margaret Zacher. Watch for news on this as time draws nearer.

Fall will bring us some beautiful colours and hopefully, Mother Nature will be kinder to us after the first 8 months of this year.

Papillon Canada Membership Chairperson & Benevolent Coordinator's Report

September 2023

As I write this on the first day of Fall, it is cool and raining here in Winnipeg. The leaves on the trees are now yellow and red, so I know it won't be long till we see fluffy white snow! I am grateful for the "dog days" of Summer, where my Phalene, "**Oakley**," was able to welcome a variety of her dog friends over for play dates in our backyard.

MEMBERSHIP RENEWAL

It's almost that time of year again... Membership renewal applications and fees are due by January 1, 2024. For your convenience, a **Membership Renewal Application form** is included with this edition of our "All Ears" Fall Newsletter.

Renewal applications and membership fees can be mailed to me, the Papillon Canada Club Membership Chairperson...

Kathy French, 38 Tomlinson Ave., Winnipeg, Manitoba, Canada, R2K 3K9

Please do **NOT** send cash in the mail. **Cheques** or **money orders** or **bank drafts** would be greatly appreciated.

If you would prefer, you can send an **E-transfer payment** for your membership fee, directly to our Club's bank account, papillonclubofcanada@gmail.com, where our Treasurer, **Jayne Russell**, has the account set up for direct deposit. If you do plan to do this, please also contact Jayne directly at jrussell@jrussell.ca to let her know.

However, I do still require that you complete a **2024 Membership Renewal Form**. My preference would be that you mail your Membership Renewal form directly to me. But if you would prefer to complete it, scan it, and email it to me as a PDF document, I will be happy to print it off at my end.

Please do not take a photo of it and email it to me as a JPG file. It is challenging to read it and print it in such a format.

Membership renewal fees paid after March 1, 2024 denote a lapse in membership. Reinstatement must be approved by the Board of Directors, with an additional late payment fee of \$10.00 to be paid. As well, according to our Club's Bylaws, new members who join the Club after October 1, 2023, fees paid "are considered to represent the fees for the ensuing membership year."

Club members are no longer required to complete the **Website Listing Application** form each year, unless you wish to make changes to "Services Offered" on the Papillon Breeders list on our Club's website. However, if you have become a new Club member in the past year, you may wish to complete this form & send it to me so that we can be sure that any information on our Club's website is consensual & accurate. For your convenience, this form is also included with this Newsletter.

WELCOME to a NEW MEMBER

I would like to extend a warm welcome to the following new Club member, who has also been a Club member in past years. As a previous Papillon Canada Club member, Cindy contributed greatly to our Club as the Secretary, Newsletter Editor and by compiling Handbooks and Databases for Stud Dogs & Brood Bitches & Litters & Shows. We are so grateful to welcome Cindy back to our Club!...

PAPILLON CANADA RESCUE

If you would like to support **Papillon Canada Rescue** with an optional donation, it would be greatly appreciated. With the Covid pandemic now settling down, Rescue organizations, including Papillon Canada Rescue, are beginning to see an influx of rescued dogs, as pet parents who have been working from home for the past 3 years head back to the office. As well, with the rising cost of goods and services, including Vet care and pet food, some may no longer have the finances to care for their dogs.

If you would like to make a donation, please write an additional **cheque** or **bank draft** or **money order**, made out to **Papillon Canada Rescue** and include it with your Membership Renewal form and fee. Alternatively, if you would prefer, you can send an **E-transfer donation** directly to our Club's Papillon Canada Rescue Coordinator & Treasurer, **Donna Edwards** at papilloncanadarescue@gmail.com

**Please note that the Papillon Canada Rescue bank account is separate from our Papillon Canada bank account, so if you are making an E-transfer donation to Papillon Canada Rescue, a different email address is involved.

CONDOLENCES

On behalf of the Papillon Canada Board of Directors, as well as all Papillon Canada Club members and friends, I would like to offer my sincere condolences to Nfld Club member **Alanna Downton**, on the passing of her brother, in March 2023. Our thoughts and prayers are with Alanna and her husband and family.

My condolences to all Club members who have lost a family member or friend this past year, including those who have lost a furry companion.

Our hearts also go out to those Club members who have endured the many climate disasters that have occurred from Coast to Coast across our country, from wildfires to hurricanes to flooding and mudslides. We hope and pray that you and your family members, including your furry companions, have survived these trying times, relatively unscathed.

Papillon Canada Rescue Report

September 2023

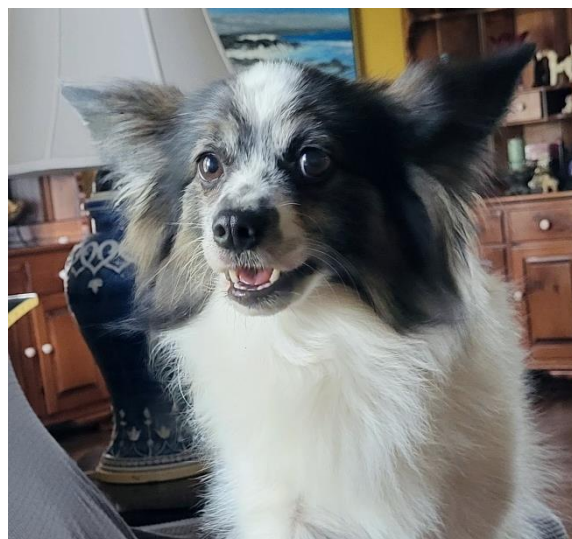

After a few quiet years on the Papillon Canada Rescue scene in Ontario, we had a fairly busy summer. We had 3 Rescues surrendered into our care. First, there was “Pumpkin,” a beautiful 11-year-old boy who had actually been adopted through our Rescue, just over 10 years ago. His owner passed away and she had made arrangements in her Will for him to come back to our Rescue. He did need some vaccinations updated and his teeth cleaned. But after that was done, he was put up for adoption and ended up as a foster failure. His foster parents fell in love with him and he adores them. So, it was a match that was meant to be.

Next, we had “Poppy,” who was actually in Alberta. Poppy is a 10.5-year-old girl who’s 94 - year- old owner had to move into a care home. At first, we were asked if we could foster Poppy until a decision was made by the family. But Poppy ended up staying with a family member for a month. Then they reached out again and said a decision had been made to surrender Poppy to Rescue. This was a time sensitive surrender because the family, who had taken her in, would be traveling mid September and she needed to be placed. Well, that didn’t take long. Less than 2

weeks later Poppy is in her forever home and apparently has settled right in.

Finally, we have “Bentley,” a 6-year-old male. He is currently being fostered in the Niagara region of Ontario. He is a healthy dog and will have his Vet check-up this week. After he has been seen by the Vet, we will review the applications we have received for him and get him into his forever home.

It is calendar time again. Once again, Papillon Canada Rescue will be depending on financial support from the sale of the 2024 calendars to fund the care of the Papillons who come into our Rescue. The cost of calendars will be the same as last year - \$30 to sponsor a month, \$20 per calendar and \$5 shipping for up to 3 calendars. Alberta Club member Dietlinde Wall (bless her) has agreed to create the calendar again this year. Please forward any pictures you would like included in the calendar to dietlinde@shaw.ca. Payments to sponsor a month or to order calendars can be e-transferred to papilloncanadarescue@gmail.com, or cheques can be mailed to Donna Edwards, 4580 Joanna Lane, Lincoln ON, L3J 0W1

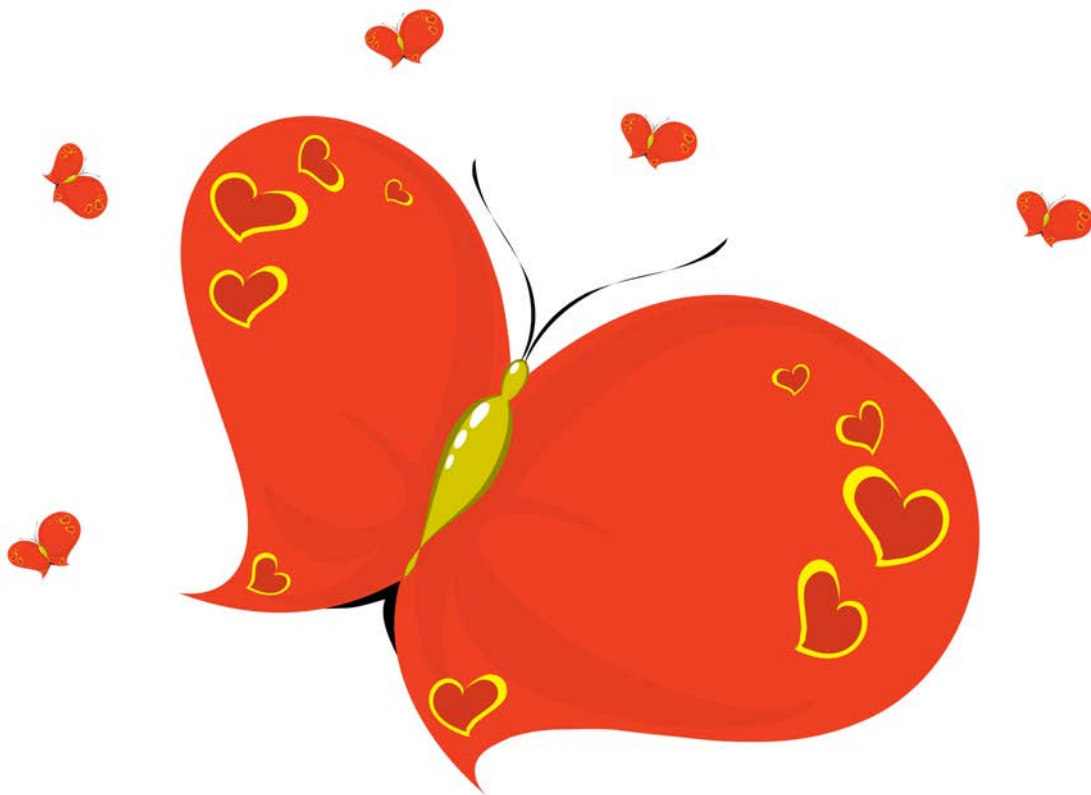

I want to thank everyone who donates, purchases calendars, fosters or adopts. Without all of you, we could not continue to operate. Earlier this year, we had Rescues who were in very rough shape out West, handled by BC Club member Julia Beaton. With her tender care, good Vet intervention, they were all healthy enough to be adopted into forever homes.

We can only do this with your support. Donations are welcome anytime, and know that you are helping one of our little Butterflies to have the life they so deserve.

Yours in Rescue,

Donna Edwards

BRITISH COLUMBIA INTERIOR REPORT – September 2023

Director – Nancy Lopaschuk

What a terrible summer this has been for wildfires in BC, especially the interior. In Cranbrook, there was a fire near the airport and our home. We were on evacuation notice for about a week as the fire was very close to us. Luckily, we did not have to evacuate but were packed and ready to go. Our Newsletter Editor, Margaret Zacher and her husband were not so lucky. The wildfire in the Kelowna area forced them to evacuate and have just returned to their home. See Margaret's account of their ordeal.

On a happier note, the Regional Specialty in Cranbrook was a huge success. See details at the end of this report.

No other reports from members in BC Interior so everyone must be busy with fall chores and enjoying the outdoors before winter arrives.

Nancy & Richard Lopaschuk (Nanrich Perm Reg'd) – Cranbrook BC

Since the last newsletter, only went to 2 show weekends and had some nice results at AKC (Spruce Meadows) and West Kootenay Kennel Club. In Calgary, Sandy Schumacher and I were showing two youngsters we bred from Wisconsin. Both finished their AM & CAN Championships while visiting with us for about 3 months after we took them to the Papillon Club of America National Specialty in Virginia Beach. Sandy finished them in some shows in Montana & Idaho and then they came to Cranbrook and were shown in Calgary and Castlegar which finished both of them in Canada, so they are now AM/CAN CH Topflite Nanrich North To Alaska (Juneau) and Topflite Nanrich Northern Butterfly (Kima) They are from a litter of three puppies from our AM/CAN CH Nanrich Topflite Midnitemadness (Mandy) Also, from this litter Nanrich Topflite Northern Lights (Yukon) came to the Regional Specialty in Cranbrook from Saskatchewan and now has 8 points to his CAN Championship. Was fun having Mandy's three kids together in Cranbrook. A little family reunion for the litter.

Also shown in Calgary & Castlegar was CH Nanrich Topflite Never Say Never. In Calgary, Never was Best Opposite in 3 shows and Select in 1 show. At West Kootenay Kennel Club, she was BOB in 3 shows and was awarded a 2nd in Group and a 3rd in Group.

Family reunion picture with Mandy and her 3 "kids" Thanks to Louann and all the other Papillon exhibitors for helping with showing Juneau, Kima and Mandy in the Specialty and to Kent & Annette for travelling from Saskatchewan for the "puppy reunion". Annette got to show Yukon – her first time in the show ring and she really enjoyed it. I think she will do it again.

Wish I had a picture of Mandy and her 4 progeny (Never, Juneau, Kima & Yukon) in the Brood Bitch class. Juneau, Kima & Yukon are all now focusing on Agility, Obedience & Rally titles.

Regional Specialty – Cranbrook August 26/2023

I would like to thank the Regional Committee for all their hard work in making the specialty happen. Committee members were Louann Hansen (Silent Auction) Moira Ure (Prizes) Margaret Zacher (Fund Raising) Toby Hatley (Exhibitor Bags) and me as Regional Show Chair. Thanks everyone, a great job done by all. Huge thanks go out to everyone who donated to the prizes which were amazing. Also, a huge thank you to everyone who entered. I did enter some dogs in the Regional Specialty but as Show Chair, did not personally show any of them and being Chief Ring Steward for the CDKC shows, I was super busy stewarding in other rings and helping the CDKC's 50th Anniversary shows. Thank you to everyone who took them in the ring for me. It takes a village. The camaraderie between the Pap exhibitors at the Regional was wonderful. Everyone stepped up to support and help each other. Sorry, I did not get photos so hope others who were there will share.

The financial report shows we had a profit of \$1361.67 which was much more than my budget of \$400.00. We had some amazing donations for the silent auction table which really helped the bottom line. Thank you everyone! Also thank you to the Cranbrook & District Kennel Club for covering all the judge's expenses.

Respectfully submitted: Nancy Lopaschuk, Regional Show Chair

Papillon Canada Alberta Regional Report

Whew, what a summer! There were plenty of shows and trials held around Alberta. One of the more significant events was the Alberta Kennel Club Summer Classic held at the beginning of August. The paps were very well represented in both conformation and agility! Remington (GCh Riesa N Passionpaps Locked And Loaded), owned by, Darlene Kelly, Doug Kelly, and Linda Foiles, bred by Darlene Kelly and Doug Kelly, took Best of Breed three times and Cache (GChS Valifyre Hidden Treasure, owned by Debra and Ken Robertson, Kelley and Case Laan, bred by Constance L Wigmore, Kelley L Laan and Case Laan) took the breed one time. On the agility side, Vanish (GChB AGMCH2 Valifyre Without A Trace AGMX2, AGMXJ3, IP, ETD, ATChC, VBA, VBX, MTRDC, MSCDC, S, CW-SP ACE, CW-SD ACE, CW- SI, CW-ScRg1, CW-ScRg2, NBD), owned by Anneli Hilton, bred by Constance Wigmore, Kelley Laan, and Case Laan, was the winner for the Aggregate Weekend Scores in Standard and JWW in the 8" class! It makes me so happy to see our breed representing themselves so well!

Carole Dyck | Didsbury, AB | Prestwick Papillons

We have had a fun and rewarding summer at numerous Dog Shows. I was able to get my puppies out starting at the AKC show Spruce Meadows. It is such a beautiful setting and always lots of exhibitors participating in various events.

Charlie AKA Prestwick's Let The Good Times Roll started his quest for Can Ch. with a BOW at the SATDS Specialty. He continued to shine at the Shows in Cranbrook BC taking Winners Male at the Papillon Canada Regional Specialty and finished his Championship from the Bred By Class as a puppy at the CKOC shows in Olds. Thank you to all of the judges for recognizing this youngster.

And then there's Zoey "Prestwick's Life of the Party" Zoey is challenging in a very rewarding way. Such a fun yet naughty puppy but undeniably very sound and correct. Thank you to the judges for looking beyond the antics and for the kind words. Zoey started in the Show Ring at Cranbrook. Taking Placements in Breed Shows and then making me so proud going BOW and BPISS at the Papillon Canada Regional Specialty. Zoey continued her winning ways at CKOC and is closing in on her Championship.

Coming up is Candi... Prestwick's Candi Crush. On her six-month birthday, Candi took BOW / BP. At the CKOC show. This pup was on the lead of a 10-year-old Junior Handler that she had just met. First time in the Conformation ring for both. Thank you Rylin for your excellent presentation and to Judge Avery Gaudin for recognizing this team

That's a wrap for Prestwick. Taking some time away from the ring to welcome new puppies then the fun will start again closer to Christmas.

Louann Hansen | Foothills County, AB | Animato Phalenes and Papillons

Things have been very busy here at Animato! On June 16, Cookie, GCH Animato Buy Me Diamonds, delivered 3 phalene boy pups, and 5 days later on the Spring Equinox, June 21, Autumn, GCH Animato Autumn Splendor delivered two girls and one boy pup - all phalenes! The sire for both litters was Moira Ure's Chaos, CH Annacott Tiarna Causing Chaos. Six puppies have been keeping me hopping! All the pups are so promising and I am very pleased with what a good job Chaos did with both of my girls.

The pups' first big outing was trailering to Cranbrook so I could help out with the Regional Specialty. It was such a great socialization experience! We had a group of kids that came to the trailer every day asking to play with the puppies. They loved all the attention they got. The pups did great in the truck going to Cranbrook and coming back home, no one got sick. Yeah, puppies! They are now seasoned travelers!

I started handling classes with the pups last week and while everyone needs to get better on the leash, they did a great job and didn't seem phased by all the commotion at handling class. I have named the pups after 1940's big band songs, which is some of my favorite kind of music. So Cookie's litter is Animato Java Jive, "Java", Animato I've Got A Crush On You, "Frankie" and Animato Rum And Coca Cola, "Yankee". Autumn's three are Animato Minnie The Moocher, "Minnie",

Animato Pennies From Heaven, "Penny" and Animato Jivin' Joe Jackson, "Joey". Look for them in the Baby Puppy ring soon!

Toby Hately | Aldersyde, AB | Rae Anne Kennels

It has been quite a year for Rae Anne Kennels. Rae Anne's Top Gun (Tommy) has been out showing his little heart out and so far, has achieved a Grand Champion Silver! He is a happy boy and loves the ring and Xander almost as much as he loves being home with his family.

Rae Anne's in Fashion (Chanel) competed her Grand Championship in the Spring and is now looking forward to some relaxation at home with her mom Ruby. We have Tanner, Moxie, and Starr working on their championships to complete the 2023 year.

We had 11 puppies in June! Fancy and Arson had 2 boys and a girl. Ruby and Arson had 5 boys and a girl, and Katie gave us 1 boy and 1 girl! We were very busy making sure everyone was happy and healthy and found their forever homes.

Katie and Tucker have been retired and are now living with their new families. We are eagerly awaiting the end of the year to see if Tucker earned his Record of Merit!

Natalie Sauner | Calgary, AB | Gibraltar Papillons

Summer was busy at my house. Fennie, Gibs, and Mouse all got their Advanced Sprinter titles. The Foothills Gazehound Club always hosts such great events and it's my dog's most favorite thing! AKC Summer Classic was a fun agility weekend for Fennie and Gibs. They both ran and Q'd in jumps and tunnels and Fennie in more of the advanced things. I also brought out my first bred-by puppies and showed them in Baby Puppy. They did great!

I decided to fly to Ontario to show my baby puppy at the National. Long Sault is such a beautiful venue and the event prizes were wonderful. Caroline and Cora did such a great job. I also attended Gia's grooming seminar and learned a lot. She had some really good tips and tricks! Always a fun weekend to meet other papillon enthusiasts and see new dogs. Well worth the trip!

Donna Sieban | Grande Prairie, AB

The poochs and I had a very full summer of camping, traveling, and many many miles of walks. The boys made friends everywhere we went. We continue to learn more about scentwork with Cash and Kit competing in CWAGS scentwork as well as NASDA (Lost item and urban locate) events. All the boys love scentwork...such a fun and positive sport, even 'ol man Ripley gets involved. We also played at rally and attended agility classes. Dezi and Kit continued with their regular therapy dog visits and brought smiles to many. We have fall plans to attend a rally seminar, more scentwork events, and get as many walks in as possible before the cold weather arrives.

Stephanie Thygesen (AB Regional Director) | Calgary, AB | Pixel Papillons and Phalenes

This summer has been wonderful for the dogs and me! Everybody (Ecco, Rush, Ravio, and Mipha) earned new sprinters and agility titles and totally surpassed my expectations. As a spur-of-the-moment idea, I threw Ecco into the AKC Summer Class conformation show for sweeps and one day in the "old lady class". Boy did she surprise me by taking BOS in Veteran Sweeps (thanks, Natalie Sauner for showing her!) and was Best Veteran in Group for the one day that she was entered. The judge even commented that he would have considered her for Breed - if he was allowed. At nine years old this girl is aging so gracefully and still has some of that puppy-like spunk that I love about her. I am looking forward to the fall and an upcoming Barn Hunt trail. This is our first official trial and I hope everything goes smoothly and we all have a blast!

MB/SASK Directors Report

Greetings from Manitoba!

I have had a fairly quiet summer, only attending several dog shows. We have a new addition to our dog family. ParadiseWings Walk Thru The Fire, aka Walker. He is a little spitfire and I am having lots of fun with him. Walker is co-owned with Jennifer Raymaaker.

Darlene and Doug Kelly Riesa: We have had a busy summer I went to the American National with my friends Linda and Joy we had a wonderful time. Both Jemma and Remington did fantastic. Jemma was Select Female and Remington won an award of Merit at the National itself. On Mondays Show Remington was Best of Opposite and Jemma was Select female.

Remington arrived home in June and we had a ton of fun with him. His first weekend out he received 2 Best in Shows and a Reserve Best in Show He has since gone on to win another Best in Show and 2 more Reserve Best in Shows. He also traveled back and forth to the states and picked up 2 more BISS wins a Couple of Owner Handler Reserve Best in shows and several group placements in both the regular group and OH group. We are so very proud of our young boy!

We have Bee with us for a while, she is Remington's sister. Bee went Best of Winners, Best of Opposite and Best Bred by at the Canadian National. A couple of weeks later she traveled with me to the States and repeated her wins at the Papillon Club of Iowa's Papillon Specialty and finished her Championship. Bee will retire from showing for the moment and hopefully have Dominic pups in the near future.

Jax and Joy did us proud by finishing his Canadian Championship in one weekend in Ontario. He was Best of Winners every day except the National He looked beautiful. My friend Linda did great with Fynn at the National going Best in Specialty! They looked great! Fynn also picked up a Group 2 and finished his Canadian Grand Championship.

Jemma has retired from the show ring for the moment and is expecting her first litter the middle of October. I can't wait to see little Jemma babies. Speaking of babies Doug and I are new Great Grand Parents of two beautiful little boys. Wow we have been busy!!

Director - Debra Robertson

Papillon Canada National Specialty Report

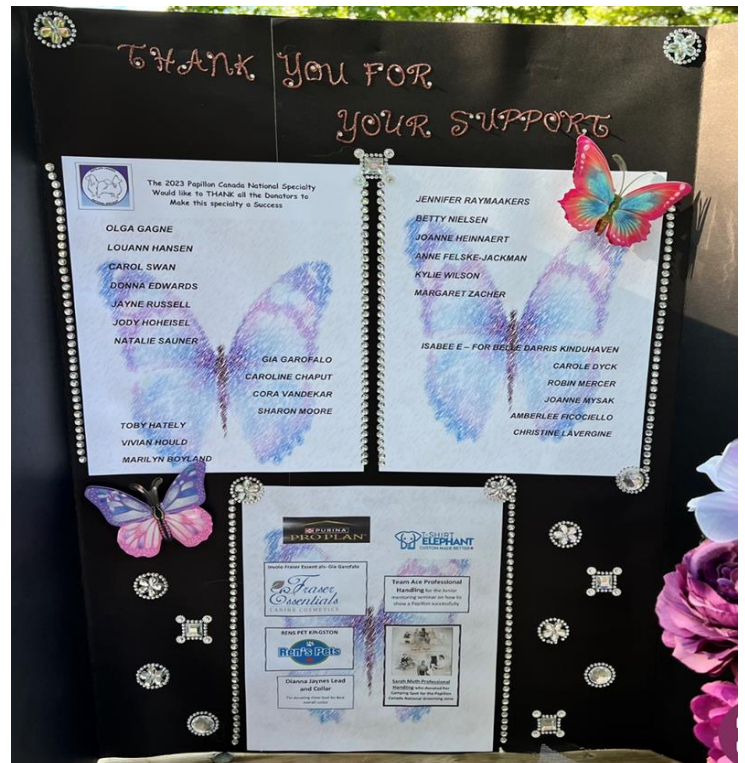

Our National Specialty had 22 Papillons (one special being absent) and 5 Baby puppies. We had a last-minute Judge change to Mrs Elaine Lessig due to family circumstances for Mr. Jean Tremblay.

The Papillon Junior Competition was attended by 9 Juniors plus 2 peewees.

The judges' educational event was attended by 1 judge.

Gia Garofalo gave a superb grooming seminar with tons of tips for a well-groomed Papillon and she did a great job judging sweeps. She donated the Best in Sweeps ribbon handmade by her. Sweeps was attended by 7 dogs. Due to low entries in sweeps no cash envelope was provided by the show sec.

Thank you
Cora Vandekar

PAPILLON

The Papillon (pronounced pap-ee-on) is a French toy dog with a kind, supple expression by the French meaning for the breed name, which is "butterfly". It is probable that the Papillon originated with the Spaniards and the long-haired Chihuahuas which he serves to reward, since closely related to the latter breed.

He is a graceful little dog with attractive pure white or white with black, orange, tan, or brown markings. Papillons are listed as the favorite pet of the French aristocracy and the aristocracy and the French aristocracy. They are very clean living dogs and do not shed. Their movements are surprisingly elegant and they are very intelligent and very hardy. They are usually under 10 pounds and are usually 10 to 12 inches tall.

The Papillon is one of the best little pets in dogdom, with its pleasing personality and his ability to adapt himself quickly to many kinds of different living conditions.

Memories A-Blaze

In mid-August, the lives of many BC residents, including my husband and I, were disrupted by devastating wildfires raging in the Okanagan.

August 15 - Tuesday seemed like an ordinary morning doing my normal routine with my dogs, enjoying coffee sitting at my computer organizing projects on my schedule when a news bulletin appeared about the wild fires in the Okanagan and there was a new one that started at McDougall Creek 37 hectares in size. At first, I needed to understand what a hectare was, which is about the size of a football field. For some reason I had a bad feeling about the McDougall Creek wildfire and how close it was to my location. The rest of the day was just like a normal day.

Wednesday, August 16 started the day like any other, except my concern about the McDougall fire. In 24 hrs it now had doubled in size to 67 hectares. I knew it was near my home but there were no helicopters or planes in the area. I didn't know what to do other than just keep monitoring the news.

Thursday, August 17 morning news reported nothing. The West Kelowna Fire Chief announced that the fire grew from 67 hectares to 6700 hectares overnight. Fire was coming closer and closer to the city of West Kelowna.

It became apparent that this fire was coming across the mountain into and toward the Okanagan Lake. An Evacuation Alert was implemented on over 1100 properties which included my home. I registered with cordemergency.ca (Central Okanagan

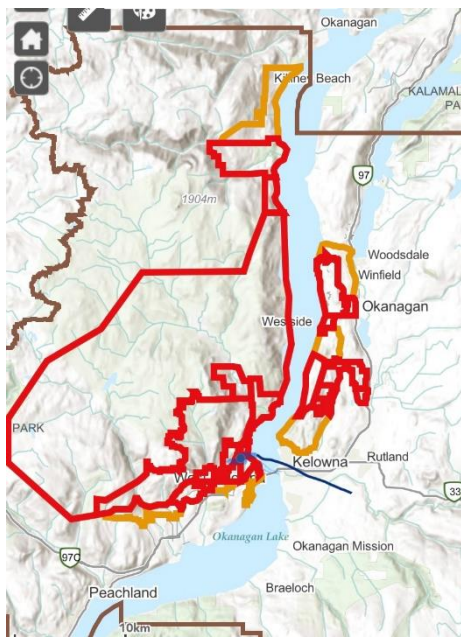

Emergency Operations) and my husband and I packed our van after taking pictures/videos of every room in the house.

We saw several planes flying overhead, but no helicopters, and nothing that looked like it had water buckets.

There were wildfires north and south of us which were stretching resources were thin. At 7pm the amount of plume and smoke to the north of us was very upsetting. We then decided to start moving our vehicles. For some reason, I had a feeling that I needed to take my two dogs on the first trip down the hill. It took us only about 10 mins to drive across the bridge to where we deposited the car. When we came back to get access to our area which was still under evacuation alert, we were told it was a hard block. I was almost ill thinking that I had not acted on my gut instinct to take the dogs. We drove to a friend's place. That night we literally had our two dogs, the clothes on our backs, and ID but were fortunate and blessed to be safe. I have to say - if you have a gut feeling - act on that gut feeling because the dogs could have been in peril because a hard block is for the safety of the community and effectiveness of the evacuation operations. That night the winds were so fierce they jumped the 5km lake and started 2 more fires on the east side.

Friday, the fire reversed directions. Now with 3 wildfires blazing. Now the number of people that were affected has increased tremendously. The winds blowing southward resulted in the fire overcoming many of the homes in West Kelowna. At this point 15 homes in our community of 30 community alone were burned in the afternoon. In all over 200 homes were destroyed, in this one area. Red (Evacuation Order) – Yellow (Evacuation Alert)

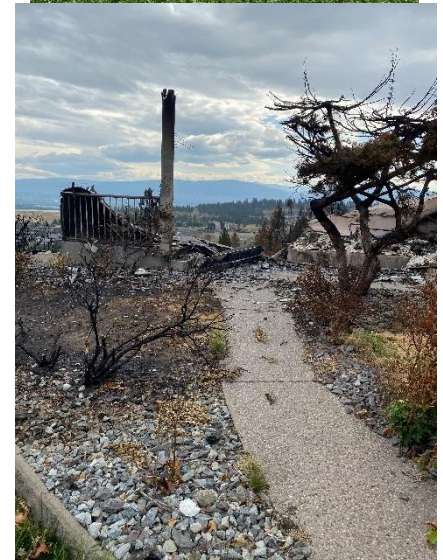

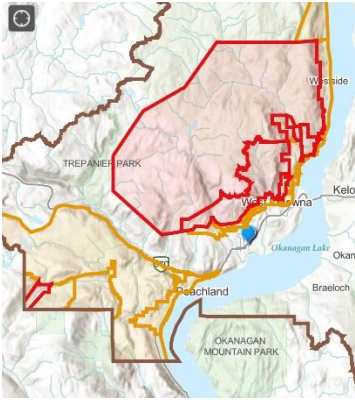

We stayed with friends for about a week, but then moved to a hotel. On Sept 2 we were allowed access to our neighborhood. Our home was one of the 50% still standing. The amount of devastation is unreal. I'm not going to compare it to anything, as I have never seen anything like this, except on TV. It is heart-wrenching every time we drive to our house. Some of our neighbors have houses that look like papier-mâché. It is hard to imagine what they and others are going through.

Although we have insurance, we are finding there are more and more that did not have enough coverage. We were without power for over two weeks, and therefore, all our fridges and freezers were condemned as biohazards, so we had to get them removed and order new ones. The fire came very close to our home and it destroyed houses behind and in front of us plus several houses in the immediate vicinity.

It's September 20 and the fire is still uncontained. It moved to the southern area of West Kelowna, but the fire fighters were successful in holding it back to the forest areas only. Several cleaning companies are currently working on our home, cleaning outside, inside, vents, etc. The cleaning, replacement and repairs will take time, its not going to happen to quickly, that's for sure.

The positive news is that no lives were lost due to the fire, so far. This week a new fire started just south of us. The cause of the McDougall Fire (Aug 15) is unknown sadly, this new fire Glen Lake (Sept 17) was human caused. I'm attaching a picture of the Glen Lake fire, that I took from my hotel room in West Kelowna. The smoke and wind were brutal. This is the new fire map (on Sept 20). The Blue dot is my home away from home.

We were not able to access our RV throughout this ordeal and so we have been in a hotel for the past month. We are hoping to back in our home by Sept 25

Sailor and I were hoping to fly to Ontario for the Canadian National or drive to the Regional in Cranbrook, but neither was possible with the looming fire threat. I missed meeting up with so many old friends and looked forward to making new ones. I had to just watch and listen to the social posts. Congrats to everyone that attended the two events!
