Secretary Report

First, I would like to thank all those who stepped up to fill the Board of Directors. We have several new members who have accepted positions. Join me in welcoming them.

I would also like to thank Amerlee Ficocielle for volunteering to be our new Webmaster.

Plans are well underway for both the National Speciality and Regional Speciality. Both will be held on the last weekend in August.

The Regional will be held in Cranbrook BC and the National in Long Sault ON. There is no other club business to report at this time.

Donna Edwards
Papillon Canada Club Secretary

PRESIDENT MESSAGE

As the new President of the Club, I would like to thank all outgoing board members for their contributions to the club and welcome the new board members and volunteers for giving your time and effort into making this club a success! We have a very talented new webmaster who has agreed to help with the website. A special acknowledgement to Amberlee Ficociello for taking on this important task for us!

As the summer approaches we have not one, but two Specialties to look forward to. Our 2023 National Specialty is being organized and overseen by Cora Vandekar and is being held August 25 – 27th in Ontario, complete with a grooming seminar by Gia Garofalo of Involò Papillons! Gia is the distributor for Fraser Essentials in the US and will have her line available to participants at that show. Gia has also kindly volunteered to judge our sweepstakes at the National. The Regional Specialty is being organized and overseen by Nancy Lopaschuk on August 26th in British Columbia. I would like to thank both Nancy and Cora for taking on this huge responsibility.,

To our new members, thank you for joining in our club. I look forward to meeting you at the shows in the future so we can share in the excitement of the shows and enjoy stories of furry children and their proud moments. Please get in touch with me or our directors to share your wins, new championships, and titles. We love hearing and sharing when our dogs are doing something fantastic. We also like to laugh with you when they are doing something a little less than fantastic.

With the summer heating up and we experience more flooding and wildfires, please reach out if you need help. Stay safe and have a great summer!

MEMBERSHIP CHAIRPERSON'S REPORT

Submitted by: Kathy French

As I write this Membership Report in mid June, for the past few weeks the temperatures in Winnipeg have been in the high 20's & low 30's degrees Celsius, with extreme high humidity and very little rain to speak of. What a change in the weather from last year this time, when farmers struggled to seed their fields due to flooding!

Currently, hot, dry conditions are igniting wildfires across much of Canada, as many of us experience record heat and drought, with climate change continuing to warm our planet. The "fire season" is also lasting much longer now because of climate change.

Heat warnings are the subject of many News items these days, urging people and their pets to remain indoors, in cool environments, while keeping hydrated. Consequently, these days, our little Phalene, "Oakley," has only been able to enjoy her daily walks, either in the very early morning or the later evening, when the temps have cooled down.

My thoughts and prayers go out to all Papillon Canada Club members and families and furry friends who are struggling with the ill effects of these wild fires, be it the need to evacuate or to remain indoors as smoke fills our outdoor environments.

MEMBERSHIP ROSTER

I have updated the 2023 Papillon Canada Membership Roster and have recently emailed an updated edition out to all Club members. The Papillon Canada website is also in the process of being updated, with any necessary changes. Thank you to BC Club member, **Amberlee Ficociello**, for volunteering to take on the role of our new Papillon Canada Webmaster.

As well, BC Club member, **Margaret Zacher**, our volunteer "All Ears" Newsletter editor, will be notified throughout the year of any additional changes and updates to the Membership Roster, so that all Club members, new & old, will continue to receive our quarterly Newsletter.

Please do not hesitate to contact me throughout the year if any additional changes and updates to the Membership Roster or Website are necessary. Although I am no longer our Club's Secretary, I am available for Membership issues.

WELCOME to a NEW MEMBER

I would like to extend a warm welcome to the following new Club member...

PAPILLON CANADA RESCUE REPORT

We have had a couple of rescues come in since our last report. Dexter on the west coast will be reported on by Julia Beaton who handle everything for us. Dexter needed lots of dental work and his vet cost were high but we did receive several donations earmarked for his care.

Thank you to all of those that helped out with his vet costs. He has gone to a loving home and will have the love and care he needs

Our newest rescue is actually the first one I have handled personally. I picked up loving, sweet, 11- year- old Pumpkin on Saturday. Pumpkin originally was an adoption from rescue about 10 years ago. Unfortunately, his owner passed away and willed him back to us knowing we would provide him the best chance for a loving home.

Pumpkin has been to the vet and he needed his shots updated, blood work and will need some minor dental work before he goes to his forever home. We will be looking for a retired couple or single, where Pumpkin will be the center of attention. He has so much love to give and deserves a home that will give back that same love and devotion to him. He is gone into foster with a retired couple. He is potty trained, walks on leash perfectly and loved to sit and cuddle beside me on a chair. Anne and Wayne will have lots of time for him while he is in their care.

BALANCE SHEET 22-23

**DRAFT
NOT AUDITED**

TOTAL INCOME 4,415.00

EXPENSES:

Vet care 3,398.99

Calendars 1,150.89

Miscl expences 210.02

TOTAL EXPENSES 4,759.90

OPENING BALANCE 16,381.56

CLOSING BALANCE **16,036.66**

As a side note

These vet costs represent 2 dogs. One who needed very little vet care (Roscoe) and one who needed a lot of dental work. (Cricket)

If we have 3 or 4 dogs requiring a lot of vet care our funds won't go far. I am hoping I can arrange to do more fund raising this year.

Unfortunately due to personal health issues I have not had the time needed to organize anything. Which is why your donations help to keep us afloat.

Respectfully submitted

Donna Edwards

Papillon Canada Rescue – BC Report

Hello to All our Papillon Canada Club members!
Wishing you a very happy Summer!

Our Papillons here on the West coast are gearing up for the Regional Trial Championships which are only a few weeks away. Sadly, this will be the first year I won't be entering. Three years ago I lost my Team Partner, my Papillon, Noah, to Cancer, at the very young age of only 4 years. He was my Heart boy.

Now that I have that off my chest, the main reason for my message to all of you is to say a HUGE "Thank You" to everyone who generously donated to support Dexter, the senior Papillon we received into Rescue as an "owner surrender," just after [Christmas](#). Dexter was 13 years old and had **never** received any dental care throughout his entire life! Needless to say, he had a mouth full of decaying teeth. I requested a referral from our Vet to get him into the West Coast Veterinary Dental Specialist here in the Vancouver area.

With your generous donations in helping to cover Dexter's Vet costs, he came through the dental surgery very well - in fact, with flying colours! Sadly, none of his teeth could be saved, but he is now a whole lot healthier and happier.

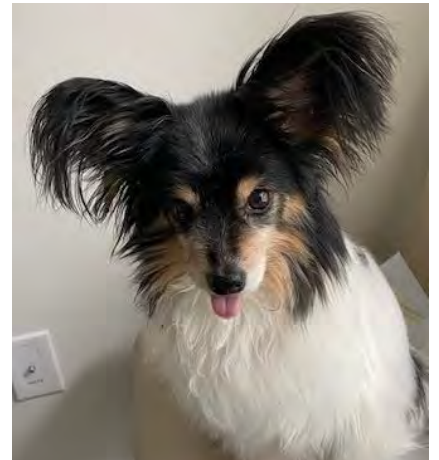

Figure 1 - BEFORE

Figure 2 - AFTER

Dexter's dental surgery was covered and paid for by Papillon Canada Club members.

Little Paws Rescue here on the West coast also requested donations to help Dexter. So as a "Thank You" again for your support, Little Paws Rescue is donating \$1000.00 to Papillon Canada Rescue.

Thankfully, Dexter was placed in a wonderful Foster home, where he received the best of care. Almost immediately, his Foster Mom fell in love with him & the feeling was mutual. Dexter has now found his "forever home" and has been officially adopted by his Foster Mom.

When Rescuers work together as a Team, good things happen! Thank You to Donna Edwards for her help and support. Also Thank You to Kathy French who always has an ear to support and help me in many ways.

Thank you!
Julia Beaton

BRITISH COLUMBIA INTERIOR REPORT – June 2023

Director – Nancy Lopaschuk

Hope everyone is enjoying the beginning of summer and having great successes at shows and trials. With the unusually warm dry weather, wildfires are certainly something that is on everyone's mind. This is not something we wish for, but Mother Nature seems to have other ideas. Please be safe everyone and right now, pray for rain and the safety of those who are fighting the fires.

News from BC Interior

Moire Ure – (Annacott Papillons & Phalenes) - Grand Forks

Things have been very interesting here as Echo (B.I.S.S. Am. Gr. Ch./Can. Gr. Ch. Annacott Animato Echo) had two puppies over two months ago. The pups, Karma and Kiki, are at the wonderful stage where they are into everything, learning so many new things and just being fun to be around. Echo does a wonderful job with her puppies and really does not need me! As a lot of folks know, Echo is a very special girl and I look forward to her puppies arrival with great anticipation. The sire of the puppies is Am. Ch./Can. Ch. LaRen Kalista Ph Akai's Dark Sword - Finn to those of us who know this very special little boy. Finn started his journey towards his American title by winning 2 majors the first time he was in the ring at 8 months old. Finn has accomplished many wins including winning the sweepstakes at the 2021 Papillon Club of America National Specialty.

Margaret Zacher (Ladymagic) – Kelowna BC

Well it looks like summer is right around the corner. This year Sailor and I are focusing on Utility with a bit of Agility. We competed in April for the first time in agility and qualified in 2x in jumps/tunnels. It was a lot of fun. Unfortunately, not a lot of CKC agility trials around so will have to wait till fall to get the 3rd leg. We also started taking agility classes.

Well, they call Utility - Futility for a good reason. If you just did 1 thing wrong, well it's a zero. Sailor has been sooo sooo close. We finally did get our 1st leg (with mom handlers errors.. ouch), but nice round overall. We will now have to wait till the fall to pick this up again.

Tiffany - Ch Kaiana TopFlite 5th Avenue - co-owned with Debbie Peatch, Sandra Schumacher and Margaret Zacher finished her championship with a Best of Breed at just over 9mts of age. As a special she again won the breed and select the next 2 days. With a puppy group. Sailor 1st Canadian Champion. Not to be outdone, At just 6mts old – her brother - Kaiana TopFlite Tradewinds (aka Mister) co-owned with Keith Macaluso, Sandra Schumacher and Margaret Zacher made his debut at the Palm Spring KC show and was awarded a 4pt major. Mister – also strutted around the ring at the American Papillon National and consistently won his class.

On another note: Sailor was a dad again, 4 beautiful babies, doing very well. 2 girls (Tri & Red) 2 boys (BW & Tri). I believe 3 of the 4 are already booked for show/performance homes, so look for more news later in the year.

Nancy & Richard Lopaschuk (Nanrich Perm Reg'd) – Cranbrook BC

No shows in Canada yet this year for us but I (Nancy) travelled to Great Falls in May to help out at the Great Falls Dog Training Club agility trials and then four of us gals flew to Virginia Beach with 3 Papillons on board for the Papillon Club of America National Specialty, some sightseeing and a short visit with friends near Washington DC. Had a marvelous time in Eastern USA, just way too short. At the PCA National Specialty, I was showing TopFlite Nanrich Northern Butterfly (Kima) while Sandy Schumacher showed her brother Juneau and I also entered and was showing Never (CAN CH Nanrich Topflite Never say Never) We arrived in Virginia Beach in time for one Regional Specialty and the National. Under judge Michael Canalizo, "Kima" (TopFlite Nanrich Northern Butterfly) was awarded 1st in class of 12-18 bitches and the following day, in PCA Sweeps, under judge Marion Ford, she was 1st in class and Best Opposite in Sweeps.

At the National Specialty under judge Angela Pickett, Kima was 2nd in the 12-18 bitch class and Never was 4th in the BBE Bitches Erect Ear class. Kima was bred by Sandra Schumacher & Nancy & Richard Lopaschuk. Kima is owned by Kay Detampel, Sandy Schumacher & Kay Detampel. She is loved and trained and normally lives with Kay in Wisconsin who is training her for agility and several other performance events as well as conformation. Kima is currently in the Northwest and has just competed in Coeur d'Alene shows with Sandy Schumacher showing her, taking BOS for a major win and WB twice so now on 14 points with both majors. Sandy was also successful in Coeur d'Alene with Kima's litter brother Juneau taking a BOB for a 3-point major. On another note, at the PCA National banquet in Virginia Beach, I was presented with a Dam of Merit award for our Skyler (RBIS CAN GCH Nanrich TopFlite Sky's The Limit).

Papillon Canada AB Regional Report

The past couple of months have been busy for the Alberta Region. There have been several conformation, specialty, and dog sports events where our breed has represented itself amazingly! It is always exciting to see how our papillons can excel in such diverse ways! Let's keep it up; the summer is looking bright (and hopefully smoke-free)!

Louann Hansen | Animato Phalenes and Papillons

I had a great trip to Virginia Beach, VA last month to attend the Papillon Club of America National Specialty. I always try to attend as it is the only place where you can see hundreds of Papillons and Phalenes all in one place! When the specials all walk into the ring, it always brings a tear to my eye...so many lovely specimens of our breed! I didn't take a dog with me this year as I was rooming with Marion Ford, who was judging the Sweepstakes.

Marion Ford, Akai's Papillons, and Phalenes judged the Sweepstakes. She found her Best In Sweepstakes from the 6-9 month puppy dog class, the lovely Disyre Touch The Gold, bred and owned by Diana Sayre. Best of Opposite in Sweeps was also owned and bred by one of our club members, Topflite Nanrich Northern Butterfly, bred and owned by Nancy Lopaschuk and Sandra Schumacher.

Angela Picket, Wildfire Papillons, judged the National. She found her Best of Breed out of the 7-10 year Veteran Bitch Class, GCHS CH Bloom An Glow In The Dark, who certainly didn't look or act like a veteran! Best of Opposite was the beautiful, GCHP CH Wingssong This Could Be Love. Select Dog was GCHS Baypalms Sun King and Select Bitch was a Canadian! GCH CH Riesa's Just A Little Anarchy – congratulations to her owner Darlene Kelly! Best of Winners was the aptly named Denzel Bright Future, bred and owned by Tracy Burdick. She was also Best Puppy and Best Bred By Exhibitor! Awards of Merit went to GCH CH Copella La Ren Irresistible Attraction by Adora, GCH CH Riesa N Passionpaps Locked and Loaded (another Canadian bred and owned by Darlene Kelly), GCH CH Brevette Sky Rocket, GCH CH Milbu Best Valentines Day and GCH CH Fairytail's Devils In The House of the Rising Sun BCAT.

I also attended the Phalene Match, something near and dear to my heart, judged by Tracy Burdick. The Phalene Match, held at the PCA National every year is the only place in North America where the drop ears compete amongst themselves. Tracy found her best Phalene in Match in Spotlight Miss Moth PH, "Clara" owned and bred by Kim Barbolini, who later went on to win Reserve Winners Bitch at the National for a 3-point major, which finished her AKC Championship!! This win by Clara had extra special meaning because she was sired by Moira's and my Cowboy, GCH CH Animato Annacott Lone Star, and will give Cowboy his Sire of Merit in the USA. This little guy sired three litters (7 puppies) in the US and now has 5 Champion get and one more that only lacks a single point. I couldn't be prouder of my little man!

I also compile a Phalene Achievements booklet each year and distribute them at the PCA National Specialty. It is a wonderful tribute to the Achievements of the drop eared dogs in North America and allows the Phalene community to stay in touch and current with the dogs in N. America. If anyone is interested, I do have additional copies of the booklet available for \$10.00 plus mailing. Special thanks to Stephanie Thygesen who applied her Graphic Design magic to not only the Phalene Achievement booklet but to the entry forms, judge's and steward's books, and armbands for the match! It made us all feel very special!

Toby Hately | Rae Anne Kennels

This year has been a big year for us. Grand Champion Bronze Rae Anne's Top Gun (Tommy) has reached the #1 spot for Papillons and #7 Toy Breed Dog at under 2 years old. I am very

excited to see how he does for the rest of the year! Tommy's & Ruby's daughter Rae Anne's In Fashion (Chanel) has been showing her heart out and is #1 Papillon Puppy and # 5 Papillon I am very proud of her as she is not yet a year old.

We are looking forward to two litters of puppies with Fancy and Ruby this Spring before they retire and become cute little house dogs!

Jennifer Raymakers | Paradisewing Papillons

This year has been crazy busy so far for us. We welcomed a beautiful litter of 4 out of Lyric and Arson, 2 girls and 2 boys, in mid-February, and they have been keeping us very busy. One of the boys has left for his new home with Debra Robertson and we couldn't be more excited to see what the two of them will accomplish in the next months and years.

Our little girl, Paradisewing's The Only One Like Me!, daughter of Isabelle and Arson made her show debut this spring and has been doing very well in the show ring. She has nearly completed her championship in a few shows, all from the JR. Puppy class. I am so proud of this young girl. She enters the ring every time with presence, and spirit and is always such a happy puppy. We are so proud of her and her accomplishments so far. I can't wait to see what she does in the future.

I am looking forward to the rest of the summer and hopefully making it to a few shows around my busy work schedule. Best of luck to everyone and hope to see you at the shows.

Natalie Sauner | Gibraltar Papillons

Natalie Sauner welcomed two beautiful black and white girls on March 24, 2023. This is my first litter and first registered babies for my kennel; Gibraltar. Things went textbook and both girls have a zest for life and I couldn't be more pleased. It's been quite the journey as their little personalities are really starting to come out. I am having way too much fun with them! Ch Sweet World Mini Mouse S CGN and Ch Salatino Touche Pas Mon Cadeau have really made me proud. A big thank you to Kylie and Tracey (SouthCreek) for going above and beyond to make this breeding possible.

This summer should be a busy one with Fennie (Bluechip Queen just Fantasy AGN RN S CGN VN) and Gibs (GrCh Bluechip Meet me at Gibraltar RN S CGN VN). Both boys will be competing in agility. They will also be running in Sprinters as it's their most favorite game. Mouse will come out at Sprinters too to see if she can beat her 10-second run from last year! She is fit as a fiddle after having her babies so I think it's doable! Fly (Flying Gracia Beatrice) is also starting her agility training and flyball! She played at Sprinters in Llyod and won the handicap for fastest little in her only practice run! Fly is definitely one to watch out for in dog sports!

Stephanie Thygesen (AB Regional Director) | Pixel Papillons and Phalenes

This year I have set my mind on attaining some specific titles with my dogs and will need to work hard to achieve them. I kicked off the spring by attending a Barn Hunt Fun Match. All of the dogs did really well and I am feeling comfortable enough to get them into an official trial. Ecco, Rush, and Ravio attended our first agility competition of the year, and Ecco (as of yesterday) has earned her JWW Novice title! I am excited to see what my dogs and I can accomplish over the summer months!

Papillon Canada SK & MB Regional Report

Darlene and Doug Kelly Riesa: A lot has happened over the past year I really should sit down and do these more often. We had a busy year of showing and had two litters of pups. This all kept us very busy.

First off Jemma did fantastic in the AKC show ring finishing her Champion and Grand Championship in just 4 weekends. She topped it off by going Select female at the 2023 American National and has qualified for Crufts. We are so proud and happy with this little girl.

Then Jemma's brother Havoc finished the year off going #3 Papillon #1 owner handled Papillon. He also made quick work of his American Championship and is now relaxing in Oregon with our friend Dani Peterson.

Next it was Remington's turn. We knew almost from the start that Remington was going to be a special boy. How special amazes us to this day. Remington won several Best Baby Puppy in shows, then went on to win Best Puppy in Specialty and shows. He was undefeated in the Classes in both Canada and the US. He beat several top Toy dogs from the Classes in Canada. In the US. Remington went from 0 to Am GCh in only 3 weekends out. We were speechless when he won the Toy Specialty from the classes in Minneapolis in January. He went on to Best of Opposite at one of the Regional Specialties in Virginia Beach he also went AOM at the American National and is Crufts qualified. Many thanks to his co-owner Linda Foiles for taking such good care of our boy while he spent the winter in the South.

It was so nice to finally get to go the American National this year. I had a ton of fun, visited with old friends and made some new ones. So much fun to see everyone again, thank you to the Specialty committee for making it such a good time.

Our Specialty Judge

Name:	Peggy Gutiérrez Otero
Place of birth:	Caracas, Venezuela
Nationality:	Mexican.
Original breed:	Am Cocker Spaniel (black)

My activity in the dog fancy: I was born in a very dog-oriented family, that included my parents (Mexican and Venezuelan) and a twin sister. Although at first love for dogs was not focused in pure breeds and show dogs, soon the hobby became passion for all the family, sharing breeding, showing, and caring for all our house dogs, at the time Am. Cockers and Wire Fox Terriers. My sister and I were very competitive junior handlers during our young years. Later on, Dalmatians were added to our kennel and in 1962 we moved to Mexico, bringing with us 2 females, Am. Cocker and a Dalmatian, which became our breeding bitches in the new country. At the beginning of the 70s, we started breeding Basset Hounds, passion that lasted over 35 years till the death of my last dog in 2010. In 2006 I received as a gift my first Miniwire Dachshund and from then on, I have done limited breeding and showing.

I am an architect by profession, having focused my first working years in designing and construction. Later on and till my retirement in 2008, I worked at the Appraisal department of a Government owned bank. At the time, being happily retired, I devote my free time (all day, actually) to my family, my dogs, judging dog shows, reading and some hand crafts. I belong to the Federación Canófila Mexicana (Mexican Kennel Club) since I arrived in Mexico in 1962. I was president of the Mexican Basset Hound Club during the 80s. Currently, I belong to the Basset Hound Club of America and the Dachshund Club of America, having attended in the last years to their National shows in different USA cities. I was a ring steward for many years, and I have been international FCI all breed judge for 35 years.

I have judged specialty and all breed shows in all the American countries (except Paraguay) as well as in Australia, New Zealand, Thailand, Japan, Indonesia, Malaysia, India, Ireland, Russia, China and South Africa. In 2015 I was honored by being appointed to judge the Wire variety at the DCA National in USA.

"I started my own journey in dogs in 1976 at a local show when our family Dane won a massive 4 point win. I had worked all summer conditioning and grooming and I was hooked. It was 10 years later that my journey started in cavaliers. The Halfmoon prefix became permanent in 1994 and best in show winners bred and owned by us followed in the decades that follow in three colours as well as 79 champions in Canada and 18 AKC champions in a very limited breeding program and we continue to work on that elusive best in show black in tan despite having won the AKC National with a veteran black and tan in 2022

As a handler I was lucky to show several papillon's to their Canadian and AKC championships. Most were owned or bred by my late friend the influential breeder and competitor Mary Jo Loye of Josandre kennels. Mary Jo and I became friends through my late partner L Garrett Lambert and we spent many an afternoon looking and analyzing puppies and young stock, always looking for hallmarks to carry forward in her breeding program. her passion was palpable and her skill as a teacher immeasurable. Garrett was a student, friend, pedigree obsessed, mentoree of great Canadian breeder Clarice Babbidge of Jaclair fame, and from him I grew to love the breed and the art of breeding them not only to size, but to shape and refinement and proper temperament and unique movement. My first real life bed partner pap was a 4 pound dynamo named Jaclair's Miss Hiccup who showed this working dog man the versatility of the breed and that they were not delicate creatures.

I look forward to and am humbled by your invitation and hope that the lessons learned in the past and my ongoing interest in the breed allows my hands to find the best specimens at your National.

Jean Tremblay

My parents purchased a pet Papillon bitch over 25 years ago that "needed" to be shown and the rest is history. Mimi never won a point at an AKC dog show but we were hooked! We have enjoyed the sport as a family; our goal has always been to produce healthy, happy, typey Papillons that excel in the ring and make even better companions. I grew up in the Papillon ring as a little girl with a big bow showing our dogs. Since we finished our first homebred champion, "Delilah," in 2000, we have produced over 100 AKC champions in a limited breeding program. We are humbled by the many milestones our Papillons have reached including three generations of Multiple All-Breed Best in Show winners, the only All-Breed Best in Show winning littermates in the history of the breed as well as the first and only Papillons to win the Regular Toy Group and Bred By Exhibitor Toy Group at the AKC National Championship, PCA National Specialty winners, and breeding and owning the top winning Papillon of all time, "Jackson." Most importantly, our dogs have been consistently recognized and awarded major wins at specialty shows and prestigious events across the country. We are pleased that other fanciers around the globe have chosen to incorporate our dogs successfully into their breeding programs. Despite those things, perhaps our greatest achievement in the sport of purebred dogs, is creating a family of joyful, beautiful, brazen, smart, sound, healthy big-eared butterfly dogs that we have been blessed to share our home and our lives with!

A TIME FOR CANINE GOOD NEIGHBOUR

SPECIAL TO OUR NATIONAL EXHIBITOR

A time for Canine good neighbour will be set aside for the members of papillon Canada on Saturday August 26 when we the Booster it will be evaluated by Manon Brisebois Cost is \$35.00 including registration, testing and CKC Certificate. Please bring registration.

The Canine Good Neighbour Program is a 12-step test, that when completed successfully, will ensure that one of our most favored companions, the dog, is accepted as a valued member of our communities right across the country. Canine Good Neighbours can be counted on to present good manners at home, in public places and in the presence of other dogs. The test is non-competitive and allows dog and handler to demonstrate confidence and control in 12 steps. It assesses the handler and dog's relationship, together with the handler's ability to control the dog. Dogs are evaluated on their ability to perform basic exercises as well as their ability to demonstrate good manners in everyday situations. The training program embraces both purebred and mixed-breed dogs and is fun, rewarding, and useful. It encourages owners to have a better and richer relationship with their dogs. The program also enhances community awareness of responsible dog ownership and the numerous benefits associated with dog ownership.

You and Your Dog Must Complete these 12 Steps

1. Accepting A Friendly Stranger
2. Politely Accepts Petting
3. Appearance and Grooming
4. Out For a Walk
5. Walking Through a Crowd
6. Sit/Down on Command and Stay in Place
