2021 World Famous Papillon Picnic

Given the strange times we are living in...we had an extremely successful picnic this year! We managed to pull it all together in only a month! It felt so good to see our friends again. We did face some challenges as to the food, wearing masks, etc., but everyone was cooperative and helpful. We raised the papillon entry fee to \$9.00 each because everything is going up and we know how much the rescues need the help.

We had 21 people attend in addition to us and our daughter, Cynthia and her husband, so 25 in total attendance. We could have had a few more, but I wasn't too disappointed because: 1. Some people are not comfortable yet and 2. it allowed for better social distancing. Kay Reid was able to join us this year while Marjorie took care of the puppies at home.

The papillons provided hilarious entertainment...even forming a conga line as they raced around the yard. Others just made themselves at home wherever they felt comfortable.

A big Thank You to Cynthia and Dennis for all their help with set-up and help with the food. Dennis handled all the money (entrance donations and silent auction.) for us this year and did a marvelous job. Cynthia handled the silent auction for us. They both assisted with the easy up and moving furniture around and the cleanup. (Somehow...they avoided all of the pictures!)

We would also like to thank all the people who donated door prizes: Marjorie Stroud, Roz Hargrave, Holborn Family, and the Baisi Family. The prize draw is always a fun and entertaining part of the picnic. We raised \$250.00 each for Little Paws Rescue and for Papillon Canada Rescue. In addition, Karen Lavallee donated \$100.00 each to the two rescues. If you are moving or downsizing, you might want to think of donating some of the smaller gently-used, quality items or butterfly/pet-oriented items to the Papillon Picnic next year. We are able to store them if you are moving sooner.

By the end of the picnic...tired, but content, we mused about all the fun and friendship the picnic brings.

Sprinters— the Thrill of the Chase!

By Shantelle McCormick

Sprinters is like the 100 metre dash. My papillons chase "the bunny" which is actually a plastic bag on a lure. Sprinters and Chase ability, in which the lure travels in a large square formation, bring out the natural prey drive in my papillon. The sport of Sprinters requires a release person and catch person. My papillon Jada gets so excited when she sees the lure, she can hardly be held onto. Jada kicks at the release

person and barks to be set free.

Both Sprinters and CAP (chase ability) are CKC titling events. Dogs earn points by the speed they run and are clocked. For example Jada's best speed is 35 kph. Since she is under 12 inches tall her speed is multiplied by 2 to give her 70 points. When she reached 150 points she got her Novice Sprinters (NS) title. 500 points receives Sprinters (S), 1000 receives (AS) Advanced Sprinters and Jada has reached Championship status at 1500 points (SX) Sprinters Excellence. Sprinters and Chase

Enrichment And Fun

The Nose Knows! By Victoria Barker

When I think of a dog's nose, I don't immediately think of an otherworldly sensory organ. I think of that startling 'eep!' as Egg unexpectedly drags his cold, wet nose up the bottom of my foot.

But an interesting article on dog noses left me fascinated by the cute little thing. In fact, dogs have fifty

times more scent receptors than their owners do. The part of their brain dedicated to smell is proportionally forty times larger than that of an average human's, and their sense of smell is at least ten thousand times greater than our own. Your dog can smell separately with each nostril to create a 3-D

map of the world around them, and they are capable of detecting the passage of time attached to different scent markers. That's right. The cold wet nose that leaves smudges on windowpanes is actually a super sensory organ that sounds like it belongs to a fantasy creature.

Egg's gifted snout goes to waste most of the time, so I decided to harness its power and give him a fun outlet for all that scent power. I turned a normal walk

into an exceptional walk and put his nose to good use. Some people call it a 'sniffari' - a safari for your dog's sniffer - and it involves letting your dog stop and smell the roses. And the tree trunks. And the fence posts. And a hundred other things you might encounter on your walk.

I was pleasantly surprised by how much he enjoyed it! Our sniffari stretched our usual walk into a slow, leisurely stroll and added an interactive element to Egg's daily exercise. Think of it as the canine equivalent of visiting the library. Let your dog stop to read the message board, leaf through the new arrivals, and pause to inspect promising new stories.

It helps your dog decompress after a long day at home, and the mental enrichment is every bit as valuable as physical exercise. Structured walks are great for getting some sunshine and fresh air, but never underestimate the importance of letting your pup take the lead with his snout at the forefront. Sniffaris are a pleasant treat for our companions, and after a relaxing dawdle around the neighbourhood, you might find that you enjoyed the scenery just as much as your papillon.

Sometimes the nose knows best!

Best of Opposite Papillon Canada National Specialty Papillon Club of America National Specialty BISS AM GCH CAN GCH Annacott Animato Echo

What a feat for this little Phalene girl!

Echo has done more than was ever expected in her show career, and for good reason. She is an exceptionally typey little

Phalene that has now pulled a double header winning Best of Opposite Sex in Canada at the Papillon Canada National and then again in the USA at the Papillon Club of America National! Both wins under breeder judges; in Canada, Michael Hill awarded her this honour and in the US, Charlotte McGowan thought she was the

best female in the ring! Echo won the Houston Papillon Club Regional Specialty two years ago and continues with her winning ways this year! What a super little dog! Echo was bred by and is owned by Moira Ure and Louann Hansen. She lives with Moira in British Columbia and we have our fingers crossed that her next endeavour in the whelping box is as successful as her show career! Echo was sired by AM CH CAN GCH Animato Annacott Polo Red Intense out of CAN CH Annacott Faith From Animtao.

Select Dog - Stud Dog Papillon Canada 2021 National Specialty

"Red"- CAN GCH AM CH Animato Andali Polo Red Intense

(AM GCH, FCI Intl CH, CAN, PR, Latin AM, Pan AM CH Akai's Dresden Green Diamond x Mirramiss Mighty Queen)

Red has done everything I have ever asked of him. He earned his Canadian GCH quickly and with Group Placements, he finished his AM CH in just a few months with Barbara Gossett piloting him. He has produced wonderfully with every girl he has been bred to. He has sired four Canadian Grand Champions and two Canadian Champions, has two more offspring that lack a point to finish their Canadian CH, has one America Grand Champion and two offspring that are only lacking singles to finish their AmChampionships and one that needs majors to finish his AM CH. I was so pleased that our Specialty Judge, Michael Hill, thought he merited Select Dog at the National! He trotted around as Stud Dog followed by BISS AM GCH CAN GCH Annacott Animato Echo, CAN GCH Annacott Animato Gay Noelle, CAN CH Annacott Animato Ease Into It and Animato Annacott Red Diamond. What a line-up of Red Sable Phalenes!

Red is owned by Louann Hansen and was bred by Louann Hansen, Andrea Meloon and Cheryl Maass.

New Champion

CH Animato Annacott Red Diamond, "Robbie"

(AM CH CAN GCH Animato Andali Polo Red Intense x AM GCH CAN GCH Animato Annacott DivineChoklat)
What can I say about this little dog? It has been quite a ride with him! He was Best of Winners in 2018 at the Papillon Club of America National Specialty for his first US 5 point major. And then devastation as his co-owner and financial backer, Suzanne Johnson, passed away. He was Winners Dog at the Olympic Kennel Club show in 2018 for his second 4 point major and then returned to Canada with me. Many months, years even, went by trying to sort out his ownership with CKC and in September of 2020 that finally came to pass. When I requested that a copy of his Canadian Champion Certificate be sent to me, CKC informed me that he was sitting on 9 points. Sigh.... But under Wayne Thompson at the West Kootenay Kennel Club Limited Group 5 Show he was awarded Best of Winners to finish his Canadian Championship! Thanks so much to Robbie's best friend, Stephanie Thygesen, who has worked tirelessly with Robbie to get him ready to show again!
Robbie was bred by and is now again owned by Louann Hansen and Moira Ure!

National Specialty 2021

By Louann Hansen

The Juvenile and Veteran Sweepstakes were judged by Esther Hall on Sunday, August 29. Mrs. Hall found her Best Puppy In Sweepstakes with Pixel Animato A Link Between Worlds, "Ravio", owned and bred by Stephanie Thygesen. Best of Opposite in Sweeps was Apsara's Dancing At The Roxy, owned and bred by Robert Ballantyne. Best Veteran in Sweeps was GCH Riff Ruffs Ramblin Road, "Journey" who is owned and loved by Debra Robertson.

The Specialty was held on August 30 and was judged by breeder/judge Mr. Michael Hill. There were mounds of prizes and ribbons on offer and GCH Ladymagic Topflite Windcatcher CD

PCD RN TDCH, "Sailor" sailed off with Best of Breed! Sailor was bred by and is owned by Margaret Zacher and Sandy Schumacher and Margaret piloted him to this win herself!

Best of Opposite Sex went to GCH Annacott Animato Echo, a lovely little phalene girl owned and bred by Moira Ure and Louann Hansen. Echo was shown by Moira to this honour.

Winners Dog, Best of Winners

and Best Puppy in Specialty was the Sweepstakes winner, Pixel Animato A Link Between Worlds, "Ravio" bred, owned and shown by Stephanie Thygesen. This little guy is the first puppy that Stephanie has bred! Big congratulations!

Select Male was also a phalene, GCH Animato Andali Polo Red Intense, "Red". Red was bred by Louann Hansen, Andi Meloon and Cheryl Maass and is owned and shown by Louann.

Select Female was CH Valifyre Nanrich Take Flight bred by Kelley & Case Laan and Nancy & Richard Lopaschuk and owned by Kelley and Case Laan.

Awards of Merit went to CH Pilot's Triflight Okee For Takeoff, bred by Don and Marilyn Bauer and owned and shown by Christine Lavergne and CH Rae Anne's Let It Be You, owned and bred by Toby Hatley.

Winners Female was Carole Dyck's, Prestwick's All The Rage. Reserve Winners Dog was Animato Annacott Red Diamond

(Phalene), owned and bred by Louann Hansen and Mora Ure. Robbie was also awarded Best Phalene from the Drop Ear Classes.

Reserve Winners Female was Nadshell Nerine Bowdenii bred by N.P. Shumchenko and owned by Robert Ballantyne. There were three Veterans in the Best of Breed line up, CH Nanrich's Peter O'Doul, DC, RA, CGN was the winner of the 10 year and old veteran dog class, GCH Riff Ruffs Ramblin Road was winner of the 7-10 year veteran female class and GCH Freespirits Valifyre I Factor was winner of the 10 year and older veteran female class. Best Veteran in Specialty went to GCH Riff Ruffs Ramblin Road, "Journey" bred by Mardell Leppington and owned and shown by Debra Robertson.

Best Stud Dog and Get was GCH Animato Andali Polo Red Intense (Phalene) and Best Brood Bitch was CH Annacott Faith From Animato (Phalene) – both had the same line up of girls behind them, GCH Annacott Animato Echo, CH Annacott Animato Ease Into It and GCH Annacott Animato Gay Noelle. Red also had his son, Robbie, Animato Annacott Red Diamond in with the girls as his get. It was quite the line up of Red sable Phalenes! Best Baby Puppy in Breed was Richard and Nancy Lopaschuk's little girl, Nanrich Topflite Never Say Never. She was bred by her owners and Sandra Schumacher.

Best Brace went to GCh Annacott Animato Echo and Annacott Tiarna Causing Chaos, a beautiful phalene pair made up of Auntie Echo and Nephew Chaos.

Best Bred By Exhibitor out of the classes was awarded to Barbara Hay's Sunokas Jedi Warrior.

Best Phalene out of the Open Drop Ear Classes was awarded to Animato Annacott Red Diamond, "Robbie", owned and bred by

Louann Hansen and Moira Ure. This was quite an honour as there were a record number of phalenes in the Open Drop Ear classes, 2 males and 4 females! Prizes for the Sweepstakes and Specialty winners were wonderful! Lovely crystal wine glasses engraved with the heads from the Papillon Canada Logo, limited edition prints by artist Deidre Ashdown, dog beds, collars and leads, doggie igloos, crate pads, grooming bags, cool mats, blankets and water bottles were only some of the super prizes won.

A big thank you is being sent to all who donated to the Specialty either by sponsoring prizes or donating to the general fund and raffles and auctions! Here are the people who made this possible:

Margaret Zacher, Joanne Mysak, Kathy French, Ellen Pollock, Bette Nielsen, Vivian Hould, Kyle Wilson, Tracey Giles, Olga Gagne, Barbara Hay, Donna Konkin, Belle Darris, Richard and Nancy Lopaschuk, Louann Hansen, Toby Hately, Donna Edwards, Jennifer Raymaakers, Case and Kelley Laan, Marion Ford, Carole Dyck, Carol Swan Laing, Chris Lavergne, Deirdre Ashdown, Karen Dummett, Ruth Epstein, Yvonne Lord, Donna Seiben, Lou Ann King, Joanne McLeod, Robert Ballantyne, and Moira Ure. I hope I have not forgotten anyone!

After the Specialty we held our AGM for the year, the minutes of which will be found in the newsletter. Thank you to everyone who attended and brought items forward for discussion.

To round out the day, we had a lovely catered dinner and live auction at the Sandman Inn, our Specialty Hotel, where there was lively bidding and lots of loot to bid on! Thank you to everyone who supported the club by bidding and winning all the items on offer! At that same dinner, it was announced that Sailor, GCH Ladymagic Topflite Windcatcher, our Best In Specialty Winner, was also the winner of the Versatility Award! Congratulations to the one and only Sailor and his marvelous owner and trainer, Margaret Zacher!

And I do not want to miss congratulating Yvonne Lord who organized the raffle at the motor home area which was wonderfully

profitable as well as the live auction at the dinner get-together. It wouldn't have been successful without you!

We also held a booster under Judge, Honey Glendenning, who judged the All Breed Show on Tues, Aug 31, for the West Kootenay Kennel Club. Ms Glendenning found her winners as follows:

Best of Breed – GCH EX Ladymagic Topflite Windcatcher, who went on to Group 4
 Best of Opposite – GCH Annacott Animato Gay Noelle (Phalene)
 Best of Winners – Animato Buy Me Diamonds (Phalene)
 Select Dog – CH Valifyre Hidden Treasure
 Select Female – CH RaeAnne's Let It Be You

Winners Dog – Bluechip Meet Me At Gibraltar
 Reserve Winners Dog – Sunokas Jedi Warrior
 Winners Female – Animato Buy Me Diamonds (Phalene)
 Reserve Winners Female – Nadshell Nerine Bodenii
 Best Puppy – Apsara's Dancing At The Roxy
 Best Veteran – GCH Freespirits Valigyre I Factor, who went on to Best Veteran in Show!

We also had two get-togethers over the weekend. The first on the evening after the Sweepstakes as a welcome party and the second after the booster show as a Safe Travel Home party! It was so nice to be able to see everyone!

Papillon Club of America

National Specialty

The P.C.A. National Specialty is the big event of the year for papillon and phalene lovers. This year the annual event was held in Des Moines, Iowa with the sweepstakes on Thursday, September 8th and finishing up with the Best of Breed on Saturday, September 11th. There were two regional specialties on Tuesday and Wednesday, September 7th and 8th.

This National is a must attend event for folks who are serious about learning about the breed as it such a show case of wonderful dogs. And there is so much wisdom sitting at ring side as some of these breeders have been breeding papillons for a very long time.

There were very few Canadians in attendance this year and they were Kelley Laan, Nancy Lopaschuk, Louann Hansen and me. It was good to see us carrying on a long tradition of going down there and competing well. It was not an easy trip for us as we had so many forms to fill up, so many Covid 19 tests to take and jump through as many hoops as our government wanted us to do. However, it was worth it for all us.

I arrived about midnight on the Wednesday and had to sneak into our room as quietly as possible as I was sharing with Marion Ford and she was showing Finn (La Ren Kalista Ph Akai's Dark Sword) in puppy sweepstakes the next day. Betty Winthers was judging the puppy sweepstakes and she did a very thorough and well thought out assignment. She paid great attention to the exhibits and her handling of the puppies was very gentle. She had many lovely puppies in the ring and her final choice for Best In Sweepstakes was Marion Ford's La Ren Kalista Ph Akai's Dark Sword. Best Opposite Sex in Sweepstakes was Involto This Is It bred and owned by Donna, Michael and Gia Garofalo. Congratulations to all the winners.

Next up was the phalene match which was held later that afternoon. We had a last

minute judge change as our original judge was Liz Anderson from Scotland and Scotland was shut down because of Covid. Betty Winthers kindly stepped in to judge our match. Thank you

so much Betty. There were 14 phalenes to be judged. This was a large entry and full of lovely, typey phalenes. The Best Puppy was awarded to Spotlight Miss Moth Ph – owned and bred by Kim Barbolini and Kim Wielosznski. A little brag here – this lovely puppy was sired by Animato Annacott Lone Star and so has a strong Canadian connection. The best adult was Annacott Animato Gay Holly who was bred by Moira Ure and Louann Hansen and is owned by Mary Maher. The Best in Match was Annacott Animato Gay Holly. The longest fringes award went to Ch. Be My Lucky Boy Jagbar Bohemia owned by Marcy Wyrens. It is always a lot of fun and again this year we had a judge in attendance for judges education. We are pretty good at promoting our lovely phalenes.

The following day the dog classes and some of the bitch classes were judged by Charlotte Clem McGowan. The first class of the 6 to 9 month puppies saw Reisa's Jack Of All Trades win second in a very strong class. This puppy was bred by Doug Kelly, Mardell Leppington and Darlene Kelly and is owned by Joy Carpenter, Linda Foiles and Darlene Kelly. What a great accomplishment. Animato Andali R & R Space Cowboy placed second in the Open Drop Ear class. This class also had a nice entry. It was nice to be

able to sit and relax and watch the judging with Echo on my lap taking note of all the happenings. We went out with great friends for a lovely dinner to celebrate.

The last day saw the final bitch classes and the Specials in the ring. The Open Drop Ear Bitch class was won by Annacott Animato Gay Holly who was ably shown by June Peterson. Spotlight Lady Of the Pearl PH was second in the drop ear class and is owned and bred by Kim Barbolini and Kim Wielosznski and sired by Cowboy (Can Gr Ch Animato Annacott Lone Star). Another very nice puppy with Canadian connections.

The final event is the Best of Breed compete
Papillon Club of America National Specialty Continued

tion and this is exciting for everyone. So many lovely dogs. Where to start? Well the judge got into it and started making the cuts. I was in the ring with BISS Am. Gr. Ch/Can. Gr. Ch. Annacott Animato Echo and Kelley was in the ring with GCHP Ch. Valifyre Freespirit Icy Sparks. I just love it – two owner han-

dlers up against the professionals. We may both have been pretty nervous but we were both up to the challenge. I was busy with Echo and so did not see a lot of Flint but every time I looked up the little boy dog was showing his heart out. Echo was working very well for me and never put a foot wrong. So the final cut was made and both Flint and Echo were still in the ring doing their very best for us. It was so strange to be the last two dogs walking around the ring together. Flint ended up being Best in Specialty and Echo won Best Opposite Sex. Canadian dogs, eh? Charlotte did a super job of judging so may lovely dogs.

One last thing to be decided – Best Phalene. Well, to put the icing on the cake it was Holly who picked up that award.

I hope I have not missed any Canadian achievements. It was a busy time and in between the shows there were Covid tests to be done. So it was very strange times. Was it all worth it? Yes, Yes. Yes. I hope to see many Canadians in Kentucky next year.

Regional Reports

SuperNatural (BC) by Nancy Lopaschuk

Congratulations to all the winners at the Papillon Canada National Specialty held in conjunction with West Kootenay Kennel Club shows in Castlegar BC. We were able to take in the Specialty and attend the AGM. It was a quick trip over and back in the same day but great to see everyone at our shows in Cranbrook and in Castlegar.

Very exciting results to report for members from BC Interior region from the Papillon Canada National and the Papillon Club of America National held just over a week apart. Was exciting to be at the Papillon Club of America National and see members Kelley Laan and Moira Ure take the two top honours .

Kelley Laan and Flint (**CAN GCH AM GCHP Valifyre Freespirit Icy Sparks**) won Best Of Breed at the Papillon Club Of America National Specialty in Des Moines Iowa on September 11 as well as a Regional Specialty at Des Moines.

Moira Ure piloted Echo (**CAN/AM GCH Annacott Animato Echo**) owned and bred by Moira Ure & Louann Hansen to Best Opposite Sex at the Papillon Canada National Specialty on August 30th and again just 10 days later, she garnered BOS at the Papillon Club Of America National Specialty held in Des Moines Iowa.

Margaret Zacher and Sailor (**CAN GCH AMCH Ladymagic TopFlite Windcatcher CD PCD RN TDCH**) have been having tremendous success at the shows and trials.

WTG ladies...see their news below.

Margaret Zacher (Ladymagic) – Kelowna BC

At Ladymagic and TopFlite we are so very proud of our young male - Sailor. In 2018 we were the winningest papillon puppy in the breed history (based on Canuck dog stats). That year he won several Best Puppy in Shows, National and Regional Papillon Canada Awards of Merits, National Best in Sweeps, and several group placements. In 2019 we ventured to the USA where

Sailor completed his Am Championship in 2 weeks as well as the Rally Novice title. We were also awarded a 5pt Am Grand Champion points the first time in the specials ring.

We'll like everyone, 2020 was a quiet year, somewhat. Sailor ventured into

Trick Dog competition, where he was awarded Trick Dog Champion in Canada and Trick Dog Expert in the USA

Finally, some shows in 2021. Well, I have to say that that Sailor (SaySay) has not missed a stride. He amazes me at every event that we have competed in. We ventured out this year just to test the waters (so to speak) and worked toward some performance titles and the grandest title of "Grand Champion Excellent". This award was given to Sailor's grandfather (Kris) and great grandmother (Schemer) at the inception. At the beginning of 2021 we only know of 3 papillons that were ever awarded this title. Kris, Schemer and Kris son (Bond owned by Kelley/Case Laan). In order to get this title you require a performance title and either a Best in National Specialty or Best in Show, plus 100 points.

Sailor did me very proud by not only getting the Best in National Specialty (Mr. Michael Hill) and on the same weekend Best In Show (Ms. Susan Quesnel). AND he completed his Rally Advance B. Sailor also received the Papillon Canada Versatility award. Sailor and I are still spinning from that weekend.

Thank you to the wonderful Specialty committee for the 2021 Papillon Canada National - Moira Ure, Yvonne Lord, Toby Hatley and Louann Hansen - and the many behind the scenes volunteers.

This past weekend we competed in conformation and rally again, and received our first Rally Excellent B leg with a score of 99 and more Rally Advance B (score 100 x 2), as well winning the breed and several group placements

Sailor is from a great line of Arkeno dogs, with solid conformation and temperaments. We feel blessed to have been able to have some of Kim McKay's wonderful lineage. We would also like to congrats Deb Robertson and her girl "Journey" for winning the Arkeno - Best Veteran award this year.

Kelley & Case Laan - (Vaifyre Perm Reg'd) - Maple Ridge BC

We were fortunate to have the opportunity to attend the Cranbrook & District Kennel Club shows and the West Kootenay Kennel Club shows in Castlegar, which included the Canadian Papillon National. It was wonderful to see everyone again, camping out at the shows and seeing the lovely up and coming

dogs. Extra thanks to the hard-working clubs that continued on even in face of rapidly changing Covid restrictions. Our dogs had some lovely wins at those shows, Rey finished her Championship, Amelia finished her Grand Championship and was Select Bitch at the National and Kate won 2 x Best Veteran in Show. After a brief pitstop at home, I headed off to Des Moines for the American National Specialty, catching up with more friends and a chance to see Flint again. It was a wonderful time shared with friends, new and old. Flint had a very successful trip to Iowa, winning two area Specialties, one Regional Specialty, and the ultimate high, being able to handle Flint myself to his second US National Specialty win!

Yvonne Lord

Since June, we have been threatened by fire here in Merritt, like much of BC. We also suffered under astounding heat-my west-facing porch reached over 50 degrees C.

Stormy and I attended the Burns Lake shows as well as the National Specialty at Castlegar. She added some more points towards her grand championship and I had a lovely time visiting with and meeting more Papillon folk!

Frank and I have had very few opportunities to do our usual camping and fishing, but we have been working on making up for it in September.

Nancy & Richard Lopaschuk (Nanrich Perm Reg'd) – Cranbrook BC

In July, we travelled to Smithers BC for a family memorial for Richard's brother so decided to enter Skyler (now known as GCH Nanrich TopFlite Sky's The Limit) in the Burns Lake shows the following weekend. She had not been in the ring for four years

as she took time off for maternity leave to have two lovely litters, one with us then one with co-breeders in Wisconsin. Was wondering if either of us would remember what to do. She only needed 2 points to finish her Championship and ended up with much more completing her CH and her Grand CH all in one weekend garnering 5 Group Seconds, 3 Group Firsts and 2 Reserve Best in Shows.

Our hearts go out to Donna Konkin who had to say goodbye to her girl L'acy and then less than two months later, her boy D'hani. Donna is heartbroken as L'acy & D'hani were inseparable and were her constant companions. Donna's life revolved around her dogs. She has always participated in many dog sports with both her Papillons and her Pom Okley who she lost a few years ago. Donna, I am sure your three "kids" were reunited at the rainbow bridge and are frolicking and playing together.

Atlantic Waves by Bett Nielsen

Belle Darris and Kathy Archibald attended the Pictou County Kennel club shows earlier this month.

There were 4 Papillons entered and the BoB wins were split evenly throughout the entries.

Belle's Theo also went on to win a placement in the Group and in Puppy Group.

Respectively submitted by

Bett Nielsen

Atlantic Director

Reports

President's Report by Louann Hansen

We had a wonderful turn out for the 2021 National Specialty held in Castlegar, BC on August 29 and 30, especially with the increasing Covid numbers and additional restrictions being in place! Thank you to everyone who attended and donated to make this a very successful National! There is a further write up about the specialty and the winners elsewhere in the newsletter.

We were also able to hold our AGM this year and had a great group who attended. The minutes of that meeting will appear elsewhere in the newsletter.

Our newsletter is the main form of communication for our members. It is the only forum we have to make available articles on education, health issues, club events, etc. and is a vital part of

our club. Please consider volunteering to serve as Editor of this most important function of our club. It will be sure to provide you with many outlets for creativity and will allow you to help educate and inform our members! This is our current Editor, Yvonne Lord's, last issue of the newsletter. Our next issue will be our December one and all members are allowed a free page to send their holiday greetings to everyone!

As the weather turns cooler and we swing into fall, be sure to enjoy your little butterflies and moths!

Louann

Treasurer's Report By Donna Edwards

Just a couple of highlights that I want to make on this report.

First, I want to thank Patricia Baisi for her work at the World Famous Papillon Picnic 2021. They raised \$250.00 for rescue. Along with that cheque Patricia included a cheque for a donation of \$100.00 For a total of \$350.00 Well done.

I have begun to receive cheques for calendar request. So, if you want one make sure you get your order in early.

This will be a busy time for me with the calendars and member-

ship payments starting soon.

Please remember you can e-transfer any money for rescue to papillonrescuecanada@gmail.com and any payments for the club to donlenpaps@aol.com.

Finally, I just want to thank Moira and her teams for a successful National. A final accounting for this event will be done once final receipts are settled.

As always if you have any questions about our club or rescue books please feel free to ask me.

Papillon Canada Rescue

By Toby Hately

It has only been a short while since I have taken over as Rescue Co-ordinator. This is a good time to transition into the position as with COVID 19 all pets are in high demand, so at this time we have no rescues in foster care. There have been some inquiries for dogs and applications sent in.

The BC Papillon Picnic was held again this year and cheques have been sent to Donna Edwards from some of the proceeds. Patricia will send her report in due time.

Changes are starting to happen with Pap Rescue. We have

a Treasurer's email for donations and payments on things like calendars and sponsorships. Thank you to Donna Edwards for donating her time to our Rescue.

We have changed the email addresses on our website and our Facebook page as follows:

Treasurer: papilloncanadarescue@gmail.com

Inquiries: rescuepapilloncanada@gmail.com

The Papillon Calendar is a go again this year and we look forward to seeing all the pretty little faces of our lovely Papil

Papillon Canada Report Continued...

lons and Phalenes. A special thanks to Dietlinde for taking time to put this calendar together for us - I know how much work goes into getting this together! Also, thank you sponsors for your help in making our calendar a success. It has come to my attention that there was an issue last year where a few sponsor cheques were misplaced and then went stale dated. Dietlinde covered the cheques from her own funds and was disappointed that this had happened. If one of the cheques that was not cashed is yours, I do hope you will send Dietlinde a note and reimburse her for last year's

sponsorship.

This year, while things are quiet we will be looking into having our website brought up to date and Roger has graciously volunteered to work with us on the new site and then maintain it. Thank you to Roger and Kathy for your generous donation of time and expertise.

Last but not least, thank you to our Foster Families for stepping up to help with the rescues of our little butterfly friends. It's heartwarming to know that there are good people willing to pitch in and help when we need it.

Let us hope is that rescue will always be this quiet.

Papillon Canada Rescue

BC Report by Julia Beaton

Here I am with my update for "Papillon Canada Rescue" and my other B.C. Rescue organization, "Little Paws Rescue." As usual, I have been very busy with "Little Paws Rescue," as we rescue other breeds of little dogs in need, here on the West Coast.

"Papillon Canada Rescue" has settled down for now, here in British Columbia, even though I have had 2 new Papillons join me since our last "All Ears" Newsletter. One Papillon was a small 7 year old spayed female Pap who was an owner surrender due to a personal issue. "Luna," who now lives with me, has come such a long way since being brought into Rescue. In fact, her beautiful and very happy personality is truly beginning to blossom. Although she is still quite timid in certain situations that she has never experienced before, with encouragement, and my confidence with the leash, she is slowly learning to follow my lead, especially when she knows there will be a reward at the other end! "Luna" is very food motivated which makes everything so easy. She's a very playful and happy little girl whom I have now fallen in love with. To me, working with a frightened, timid dog like "Luna" is so rewarding when I see her blossoming into the life she truly deserves. The happiness truly shows when the leash comes out for a walk. WOW! It's like she won the lottery! Maybe I did too!

A few months ago, "Little Paws Rescue" here in B.C. lost one of our long time volunteers to cancer. In her Last Will and Testament, my dear friend, Evelyn, left me with her 2 year old neutered male Papillon. The breeder was notified, confirming that she supported Evelyn's wishes. This little boy's name is "Casper." He has fit into our home very well as he had already spent quite a lot of time with us, during Evelyn's chemotherapy treatments. As

per Evelyn's wishes for her beloved Pap, "Casper," I am keeping him in agility classes. But... between me and you, I think he would much rather enjoy being cuddled on someone's lap or running like crazy with my 4 Papillons around my yard. "Casper" is a Lover. "Luna," on the other hand, would have made an awesome agility dog, had she crossed my path as a younger dog. She is so agile and eager and very fast, as well as very food motivated too. Maybe one day we will get there, as I do have agility equipment in my backyard.

One last thing I want to say...

"Thank You" to all the wonderful members of Papillon Canada who generously made donations to help with the cost of one of our "Little Paws Rescue" dogs. "Axel," a very sweet little 4 year old terrier needed liver shunt surgery. He had been in 4 different homes and a shelter before coming into "Little Paws Rescue." His health issues had been undiagnosed until our Vet ran a few tests on him when he arrived. "Little Paws Rescue" here on the West Coast have a very good track record that we are all very proud of. Since his surgery to remove the shunt and placement of his intestines back where they belong, "Axel" is now doing very well. He still has ongoing bile acid tests at the critical care facility where his liver shunt surgery was performed. For the next few months, he's on a special diet with absolutely no other food passing through his system while these tests are still ongoing.

Thank you very much to Ellen and Tom Pollock, Kay Reid and Marjorie Stroud, Donna Edwards, Olga Gagne, Kathy Archibald and Kathy French for generously donating monies to help with Axel's surgery. Thank you to all of you for your support and

Papillon Canada Rescue, BC Report, Continued....

kindness to help "Axel," who by the way, is a very sweet little boy. Being so young, it was certainly worth giving him a second chance at life.

Thank you also to Patricia & Dorian Baisi who once again, very

kindly hosted our annual **World Famous Papillon Picnic** this past summer, in support of both "Papillon Canada Rescue" and "Little Paws Rescue." Bless you all! Unfortunately, I was unable to attend the event this year, as a dog was being flown down to "Little Paws Rescue" that same day. Due to behaviour issues with this dog, I was compelled to be available when he arrived. I hope to attend this wonderful fundraiser event next summer!

From the Editor's Desk – by Yvonne Lord

Hello everyone... It has been a difficult summer this year. Almost everywhere in Canada has suffered from weird or at least unusual weather. Here in BC, we have also spent some months waiting for evacuation alerts due to the fires. All of this after a year of coping with COVID. I think we were all hoping that COVID would be over soon, but the fourth wave is now resulting in new

restrictions. I think someone has given us that Chinese curse, that ne that says "may you live in interesting times." We have also had to endure a national election that basically didn't need to be called, and all sorts of news stories that have simply added to the disruption of our times. Yup, Interesting times, but we have managed to get some dog shows in, and a national Papillon Canada

Specialty show, so we finally have some new points and championships on our young show prospects.

Frank and I have managed to put 8 more Grand Championship points on our Stormy and she has earned her Rally Novice and Novice Team titles through CARO (CRN and CRNT). We are also very pleased with her daughter who managed to earn her first Rally O qualifying score towards her Novice title with CARO. We are planning one last litter of puppies for later in the fall but that will

be mostly decided by Stormy.

As you know, this will be my last newsletter. This is the 6th issue I have produced for our club, and I think it is time to let someone else take over. The interests and connections of the editor have a huge effect on a newsletter like this and I firmly believe that changing the editor regularly allows for a newsletter to express the interests of the club membership better than if one person does it for year after year. To whoever might consider taking on the job as editor, I would be willing to be very helpful in terms of providing

contact people and sharing my process. If you are the least bit interested, do feel free to call me, or even just let Louann know. It is only once every three months. And I could probably be convinced to write a column on performance/enrichment activities.

At any rate—thank you to all of you who sent reports and wrote articles, sent photographs, cartoons and suggestions. Thank you also to those who have helped even if only by emailing me about how you enjoyed an issue. THANK YOU!

Secretary/Membership/MB Rescue/ Benevolent Coordinator Report

by Kathy French

SECRETARY & MEMBERSHIP CHAIR REPORT

As I write this report, I am grateful for Covid vaccinations and face masks, making it possible to slowly begin to feel comfortable visiting once again with my fellow Papillon friends, gathering our Paps together for the occasional “play date,” and just generally enjoying each other’s company. “Oakley,” our new little 4 year old Phalene, who came to live with us in mid July 2021, has delighted my heart with her intelligence and her playful antics, not to mention her sweet “cuddle-bunny” personality. Our wonderful dog trainer has also begun to resume her various canine classes and my husband, Roger, and I are looking forward to accompanying “Oakley” to adult Obedience classes this Fall. During the summer months, Roger and I have also enjoyed visiting with our adult children and grandchildren once again. As well, I have enjoyed an outdoor, physically distanced gathering with the women in my Book Club and my Writing Group. We have been fortunate here in Manitoba that the recent Covid restrictions mandated by our Chief Public Health Officer & our Government officials have helped to keep the 4th Covid wave somewhat at bay. We can only hope and pray that it remains that way. I guess, time will tell.

MEMBERSHIP RENEWAL

It’s almost that time of year again... Membership renewal applications and fees are due by **January 1, 2022**. For your convenience, a **Membership Renewal Application form** is included with this edition of our “All Ears” Fall Newsletter. Renewal applications and membership fees can be mailed directly to me, the Papillon Canada Club **Membership Chairperson... Kathy French, 38 Tomlinson Ave., Winnipeg, Manitoba, Canada, R2K 3K9. Please do NOT send cash in the mail. Cheques or money orders would be greatly appreciated. . If you would prefer, you can send an e-transfer payment directly to our Club’s Treasurer, Donna Edwards. If you do plan to do this, please contact Donna directly at donlenpaps@aol.com However, I do still require that you complete a **2022 Membership Renewal Form** and mail it directly to me.**

Renewal membership fees paid after March 1, 2022 denote a lapse in membership. Reinstatement must be approved by the Board of Directors, with an additional late payment fee of \$10.00 to be paid.

As well, according to our Club’s Bylaws, new members who join the Club after October 1, 2021, fees paid “are considered to represent the fees for the ensuing membership year.” Club members are no longer required to complete the **Website Listing Application form** each year, unless you wish to make any

changes to “Services Offered” on the Papillon Breeders list or Inquiries on the Members List. However, if you have become a new Club member in the past year, you may wish to complete this form & send it to me so that we can be sure that any information on our Club’s website is accurate. For your convenience, this form is also included with this Newsletter.

PAPILLON CANADA RESCUE

If you would like to support **Papillon Canada Rescue** with an optional donation, it would be greatly appreciated. As the Covid pandemic begins to settle down, we are anticipating an influx of rescued Paps, as pet parents who have been working from home for the past year begin to head back to the office and may no longer have the time or the finances to care for their dogs.

If you would like to make a donation, please write an additional cheque or money order, made out to **PAPILLON CANADA RESCUE** and include it with your membership renewal form and fee. Alternatively, if you would prefer, you can send an e-transfer payment directly to our Club’s **Papillon Canada Rescue Treasurer, Donna Edwards** at papilloncanadarescue@gmail.com

*Please note that the Papillon Canada Rescue bank account is separate from our Papillon Canada bank account, so if you are making a donation to Papillon Canada Rescue, a different email address is involved.

CONDOLENCES

On behalf of the Papillon Canada Board of Directors, as well as all Papillon Canada Club members and friends, I would like to offer my sincere condolences to B.C. Club members **Nancy & Richard Lopaschuk**, on the passing of Nancy’s brother, Donald, on September 10, 2021. It has, indeed, been a very difficult year for Nancy & Richard with the passing of Nancy’s sister-in-law, as well as the passing of Richard’s sister & brother.

On behalf of the Board & Club members I would also like to offer my condolences to Ontario Club member, **Mandiee O’Brien**, whose father passed away unexpectedly on August 24, 2021. Our thoughts & prayers are with Mandiee and all those who have lost a family member or friend this past year, including those who have lost a furry companion.

Report submitted by: **Kathy French**
Papillon Canada Secretary & Membership Chair
Papillon Canada Benevolent Coordinator
Papillon Canada Rescue - Manitoba Rep

Minutes of the Papillon Canada Annual General Meeting

August 30, 2021

Kinnard Park, Castlegar, BC

Call To Order

President, Louann Hansen, called the meeting to order at 4:16 pm, with 15 club members and 2 guests present

Club Members Present

Dick and Nancy Lopaschuk, Case and Kelley Laan, Donna Konkin, Yvonne Lord, Dietlinde Wall, Margaret Zacher, Toby Hately, Stephanie Thygesen, Debra Robertson, Moira Ure, Chris Lavergne, Carole Dyck, Louann Hansen

Guests Present

Karen Dummett

Shanelle McCormick

Minutes of the previous AGM

The minutes of the AGM held in August of 2019 were circulated prior to this AGM. There were two amendments noted.

Linda Smith was listed as a member, when at that time she was a guest in attendance.

Moira Ure was shown as being in attendance and credited as moving to adjourn the meeting, but she was not in attendance.

Richard Lopaschuk moved that the minutes of the 2019 AGM be accepted as amended. The motion was seconded by Stephanie Thygesen. All were in favour.

Financial Report and Appointment of Auditor

The Audited Balance Sheet for April 1, 202 – March 31, 2021 was circulated to the membership prior to the AGM and is attached to these minutes. Donna Edwards, Treasurer submitted her report which is attached. Nancy Lopaschuk moved that the Treasurers Report and the Audited Statement be accepted as circulated. All were in favour.

Kelly Laan moved that Randy Owens again be used as our Auditor. All were in favour.

President's Report

Louann Hansen advised that the Bylaw Committee has met by Zoom and are down to a final draft of the new ByLaws.

Louann Hansen advised that the National Specialty Policy and Procedures committee has not yet met regarding drafting a new P&P more in line with the way our Specialties are run.

Louann Hansen offered her thanks and appreciation to the wonderful group who held the 2021 National Specialty, especially to Moira Ure, Show Chairman, Yvonne Lord, Fundraising, Raffle and Auctions and Toby Hately, Goody Bags. Everyone did a super job!

Secretary and Membership Chair Report

Louann Hansen read Kathy French's report as Secretary and Membership Chair, which is attached and forms a part of these minutes.

Benevolent Coordinator's Report

Louann Hansen read Kathy French's Benevolent Coordinator which is attached and forms a part of these minutes.

Rescue Report

Was received from Toby Hately, the acting Rescue Coordinator and is attached to and forms a part of these minutes.

Old Business

Toby Hately moved that the criteria for Record of Merit Canada for Dams stay at 4 Champion offspring and that the criteria for Record of Merit Canada for Sires be lowered from 10 to 6 Champion offspring, which would bring us in line with the numbers

required by the Papillon Club of America for their Sire and Dam of Merit Awards. At least one owner of the sire or dam must be a member of Papillon Canada. Kelly Laan seconded the motion. All in Favour.

New Business

Yvonne Lord reminded everyone that she was resigning as Newsletter Editor after the September issue and that the club was looking for a replacement.

Deborah Roberson advised that she had resigned as Performance Coordinator as no one was submitting anything to her anymore for Performance Certificates and the criteria for the certificates needs to be updated to include all the performance events that Papillons can take part in, including such things as Nose Work, Tracking, Trick Dog, Agility, etc.

There was general discussion about holding Sanction Matches for Agility, Obedience and Rally so that Papillon Canada can offer them at our Specialties. We need to hold three sanction matches in each discipline in order to qualify to hold our own trial. There seems to be very little interest from club members to do this and it was suggested that we just continue to piggy back on the All Breed Club and offer highest scoring Papillon prizes in the performance events that they offer.

Adjournment

Dick Lopaschuk moved that the meeting be adjourned at 5:00 pm.

BENEVOLENT COORDINATOR'S REPORT

Papillon Canada National Specialty 2021 AGM

Monday, August 30, 2021

Castlegar, BC

As the **Benevolent Coordinator**, on behalf of the Papillon Canada Board of Directors & Club members, I have emailed or written & mailed condolence/thinking of you cards, as well as flowers, to the following Club members &/or their relatives, etc. in 2019/20/21...

Diana Pierce's family – on the passing of Diana – September 23, 2019

Robin Mercer – on the passing of her brother-in-law – November 2019

Gillian Willis' family – on the passing of Gillian – December 20, 2019

Vivian Hould – card & flowers sent re: illness – February 25, 2020

Lynne Beilhartz – on the passing of her son, Rick – April 14, 2020

(A donation in Rick's memory was made to the Canadian Cancer Society from our Papillon Canada Association)

Shana Snow – card & flowers sent re: illness – April 29, 2020

Donna Sieben – on the passing of her husband, Dan – August 25, 2020

Richard Lopaschuk – on the passing of his sister – May 6, 2020 & his brother – October 19, 2020

Nancy Lopaschuk – on the passing of her sister-in-law – November 2020

Kathy Archibald – on the passing of her mother – 2020

Donna Konkin – on the passing of her mother – 2020

Nancy Verhoog – card & flowers sent re: injury – February 5, 2021

Patricia & Dorian Baisi – on the passing of their daughter, **Jennifer Milat** – March 14, 2021

Alanna Downton – on the passing of her brother-in-law - 2021

*It is important that Club members notify me of any illnesses or deaths, so that I can continue with this act of compassion, on behalf of our Club.

Report submitted by: **Kathy French** , *Papillon Canada Benevolent Coordinator*

SECRETARY'S & MEMBERSHIP CHAIRPERSON'S REPORT

Monday, August 30, 2021
Castlegar, BC

PAPILLON CANADA BUSINESS

Although it has once again been an unusual year, with the Covid pandemic, it has still been a somewhat busy year, with regard to Papillon Canada business. Again, my tasks have continued to involve communicating via email with Board members, as well as responding to emails from Club members and other Papillon fanciers. I have also continued to manage and record Motions, as presented and voted on by Board members,

Our Board of Directors began its new 2-year mandate on **April 1, 2021**, with 11 Board members remaining on, to serve until March 31, 2023. Thank you to **Ellen Pollock**, who served as our Club's Secretary for the past 2 years. I have now agreed to resume the role of **Secretary**, for the next 2 years, as well as continuing on in the role of **Membership Chair** for the next 2 years.

MEMBERSHIP

The membership count this year stands at **82**, which is up a wee bit from last year.

11 of these are **Joint memberships** & **10** are **Life memberships**. Membership renewal reminders that were sent out via email by Regional Directors proved to be helpful with regard to encouraging renewal memberships. Personal email reminders were also sent out to a handful of Club members which also helped to encourage membership renewal. However, for a variety of reasons, 3 Club members declined to renew their Club memberships. As well, 1 Club member passed away suddenly and unexpectedly in the past year – BC Club member, **Jennifer Milat**, in March 2021.

Due to the Covid-19 pandemic, the 2020 National Specialty could not be hosted, and as a result, neither could the 2020 AGM be held. However, there have been **9 new Club members** welcomed since the 2019 Papillon Canada AGM. The following applications were approved by the Board of Directors as well as by the general Club membership... **Yvonne Lord & Frank La France** of Merritt, BC were welcomed as joint members in May 2020, **Christine Lavergne** of Chilliwack, BC was welcomed in February 2021, **Anneli Hilton** of Sherwood Park, AB was welcomed in March 2021, **Ann Felske-Jackman** of Little Britain, ON was welcomed in March 2021, **Barbara Hay** of Vernon, BC was welcomed in May 2021, **Margaret Zacher** of Kelowna, BC was welcomed in May 2021, and **Angelika & Neil S.** of Vancouver Island, BC were welcomed as joint members in June 2021.

Membership breakdown is as follows:

BC – 30, which includes 5 joint memberships
AB – 13
SK – 1, which includes 1 joint membership
MB – 5, which includes 2 joint memberships
ON – 19, which includes 2 joint memberships
QC - 1
NS – 5, which includes 1 joint membership
NB - 1
PEI - 3
NFL - 2

International

Bermuda - 1
Brazil - 1

Regional Directors:

Representation in Canada is as follows:
BC – 30 members, 2 Directors
AB/SK/MB combined – 19 members, 1 Director
ON and QC combined – 20 members, 2 Directors
Atlantic Provinces – 11 members, 1 Director

Report submitted by: **Kathy French**
Papillon Canada Secretary & Membership Chairperson

TREASURERS REPORT

ANNUAL MEETING

AUGUST 2021

Attached is the 2019 – 2020 Audit. Any questions can be directed to me via email at donlenpaps@aol.com (on next page)

Last year the only income we had was membership. There were no shows or boosters held. The National Specialty the year before had a profit but it was held in trust for the next National which is this years.

Although our account is healthy at this time if we only depend on membership to pay all our expenses, we will eventually run low on funds. It will take years but will happen.

As for Rescue, I unfortunately do not have an annual report to present. I am now doing the books and there will be an annual statement next year. Rescue is fairly healthy in funds however they are souly dependent on calendars right now for funds.

We have had one rescue this year. Rudy came in and was quickly placed. The vet costs were low because he was a young dog so the rescue fee and donation to rescue from person who surrendered him and donation for adoption covered the costs. Again, any question on rescue funds can be directed to my email above.

Please keep in mind these are 2 sets of books and anything for the club e-transfers go to donlenpaps@aol.com and cheques are made out to Papillon Canada.

Rescue e-transfers go to papilloncanadarescue@gmail.com and cheques are made out to Papillon Canada Rescue.

Respectfully submitted

Donna Edwards-Treasurer Papillon Canada & Papillon Canada Rescue

Member Listing Application 2022

A webpage has been set up to assist in directing the public to Club members who wish to disclose personal and canine information.

Inclusion on the webpage is available to all Papillon Canada members in good standing.

Contact information may contain an email address, website address, and telephone number.

The website listing application will be included with the Membership Application Form for all new members as well as the Renewal Form for all existing members. This application must be signed, completed and returned to the Membership Chairperson with your membership fee and Renewal Form or Application for Membership in order to adhere to policies for the protection of personal information.

To help our Volunteer Webmaster we have set the following policies:

Any member in good standing may have a listing on the webpage.

A change of email or website address or telephone number can be submitted to the Membership Chairperson at any time and he/she will forward it to the Webmaster.

A member may remove his/her information from the webpage at any time. Once a member has removed his/her information it may not be reinstated until a new website listing application has been completed and sent to the Membership Chairperson.

Each listing will have a minimum of a name, email address and/or telephone number and/or website address, and/or kennel name.

All listings will be grouped and listed alphabetically by member's last name and region.

Your name as you would like to see it listed: _____

Your kennel name: _____

Your email address: _____

Your website address: _____

Your phone number: _____

DO YOU ALSO WISH TO BE LISTED AS A BREEDER Yes _____ No _____

PLEASE CHECK APPROPRIATE CATEGORIES

- SHOW OR PET PROSPECTS
- PHALENE (Drop Ear)
- RESCUE
- INFORMATION ONLY

By signing below, you, your spouse, and/or partner are confirming authorization to provide us with the information referred to above and consent to its collection and public disclosure.
